## Little Asks Board To OK Subdivision

by KAREN WILTBERGER

A subdivision on 84 acres northeast of downtown Antioch may be a not too far off reality. Owner and developer Al Little presented preliminary plans to the Antioch Village Board Sept. 16 that could turn out to be the type of single-family housing Antioch needs.

In return, the board passed a motion to

send the proposal to the planning commission, where it can be reviewed up to 30 days prior to a public hearing.

Little and his son, Jim, showed board and audience members plans to build 290 single-family homes on the hilly, wooded area that was annexed by the village three years ago in Little's quest to construct affordable housing.

Under Little's concept of affordable single-family housing, residents would own the homes and lease the land. This way, Little

## Burger King Eyed For Route 83, 173 Corner

by KAREN WILTBERGER

A Burger King restaurant on the corner of Routes 173 and 83 now occupied by Heywood's Gas Station is the wish of Kenneth and Ruth Liddle, owners of the small gas station.

The Liddles have indicated that they want

to tear down the gas station and sell the property for the development of a Burger King with drive-thru facilities.

In an effort to change the zoning classification to allow the drive-thru facility, the Liddles petitioned that the Village of

## Emmons Teachers See Raise Under Contract

by KAREN WILTBERGER

The Emmons School Board Sept. 9 adopted a two-year contract that gives an initial \$1,100 across-the-board salary raise for full-time faculty.

Part-time faculty members will receive pro-rated salary increases this year, but next year will get the same 6.5 percent salary as the full-time employees.

The contract also includes increased insurance coverage, an added sick day per year and a requirement that teachers take a fully paid graduate course every three years.

The board and the faculty, which is represented by the Illinois Federation of Teachers, are pleased about the settlement, representatives say.

"The board feels it is a fair settlement," said Supt. Jill Bellock. "We're real happy that we got a good start to the year."

Beverly Kramer, president of the Emmons Teachers Council, said the teachers are also very pleased about the contract.

"Negotiations went very smoothly and were enjoyable," Kramer said.

The council ratified the contract on Aug. 26. This is the first year that the Emmons faculty was backed by a union.

## Cub Pack To Hold Sunday Breakfast

St. Peter Cub Scout Pack 190 of Antioch will hold a pancake breakfast on Sunday, Sept. 22 at St. Peter's Church in Antioch.

Serving time will be 8 a.m. to 1 p.m. Menu items include pancakes, sausage, coffee, milk and juice. The cost is \$3 for adults and \$2 for children under 11.

Tickets can be purchased by contacting chairman Bill Jones at 395-2650 or the cub scouts of Pack 190. Additional tickets can be purchased at the door.

## Bike Riders

## Ready To Pedal

Chuck Bishoff, a member of Antioch's Volunteer Fire Department, and Bob Leavitt, a member of the Jaycees, are co-chairmen of the Antioch American Cancer Society Annual Bike-a-thon to be held Sunday, Sept. 29. The chairmen say that the response from children and adults for their rider entry blanks has been excellent, indicating that again this year's event promises to be a success.

Antioch's route will cover seven miles, starting at the Antioch Fire Station on Orchard Street. Participants are encouraged to ride the route as many times as they are able. The latest time to pass checkpoint one, the Fire Station, is 3 p.m.

The Bike-a-thon starts at 9 a.m. and riders must begin only from the first checkpoint at the Fire Station. There will be two other checkpoints on the route. Entry blanks can be obtained from all area schools, banks, the Antioch Library and the Village Hall, along with many area businesses.

Ten speed bicycles will be awarded to the three top riders on the Antioch route.

These bicycles have been provided through the courtesy of the First National Bank of Antioch, the State Bank of Antioch and Strang Funeral Home. Bike-a-thon T-shirts will be given to each rider who turns in \$50 or more. These shirts have been purchased by Antioch's True Value Hardware. The chairmen of the event acknowledge the cooperation of Foremost Liquors, which will provide soft drinks for the riders, Raymond Chevrolet and Oldsmobile, Inc., which will loan a van for the day to be used by volunteers who supervise the route, and members of the Antioch Volunteer Fire Department and the Antioch Jaycees, who again will man the checkpoints.

Last year's bike winners were Tom Hudd, with contributions of \$472.63, Debra O'Connor, \$418.50, and Rich Hudd, \$245.60.

## Rotarians Set Auction, Bar-B-Que, Dance

The Antioch Rotary Club's Annual Porkchop Bar-B-Que and Auction will be held at the Antioch V.F.W. Action Center Saturday, Sept. 28.

Dinner will be served from 5:30 to 7 p.m. followed by an auction from 7 to 9 p.m. The evening will then turn over to dancing at 9:30 p.m.

This year's auction of more than 150 has everything from porcelain dolls to exotic vacations to antique furniture to brass bugles.

Items include one week in a luxury New Orleans condo Oct. 11-18, Chinese dinner for six, a 1977 LTD, one week in an ocean from

condo in Fort Meyers anytime between Oct. 1 and Dec. 15...and one week in Hawaii for two with air fare and accommodations.

Tickets are \$10 for dinner and may be obtained by any Antioch rotarian or call Jack at 395-6880 or Dennis at 395-5544.

## Texas Man Arrested For Pizza Shop Break-in

A 23-year-old Texas man is being held in Lake County Jail on \$50,000 bond after he broke a window and attempted to burglarize Antioch Pizza Shop, 994 Rte. 59 Sept 10.

Michael Abernathy, of Dallas, Texas, was picked up by Antioch police at 2:10 a.m. as he was coming out of weeds near the White Hen Pantry.

Police identified the man by matching the blood on his hand with that on the broken glass.

Police Chief Chuck Miller said Abernathy was visiting in Antioch, where his family apparently used to live.

# Wis. Governor Wants Drinking Reciprocity

by GLORIA DAVIS

Wis. Gov. Anthony Earl was greeted with loud applause when he announced at a meeting of the Wisconsin Tavern League that he still opposed any moves to raise the drinking age in Wisconsin to 21.

But silence and disapproval followed when Earl added that he was for reciprocity as far as drinkers coming over the border from Wisconsin's neighboring states of Illinois, Indiana, Michigan and Minnesota.

Earl said that he backed

out of state drinkers following the drinking rules of their homestates.

Representatives for the tavern league rebutted Earl's stance on reciprocity by saying that border teen drinking problems were myths, stressing that latest traffic statistics show a low ratio of drinking related accidents in Wisconsin involving visiting drinkers from other states.

Proponents of reciprocity attribute much of this to the media's drive against drunken driving and the new stringent drunken driving

laws that are being enforced in Wisconsin.

Law enforcement agencies in neighboring states such as Illinois claim that there is good reason to believe that lower border accident stats involving drinking teens does not necessarily mean that there are less drinking involved accidents.

Tough border law enforcement may have teens driving carefully until they hit the county roads in their homestates.

When DUI accidents occur 10 miles or further into the home states it is difficult to gather true statistics on how many of these drivers were drinking in Wisconsin previous to the accident because of the widespread routes involved in returning home and also because of the mixture of state, county and local police involved.

Previously the tavern league leaders have called groups like "Hands Across the Border," and "MADD" misinformed and hysterical people.

At the same time, Earl signed into law tougher drunken driving laws than had been in existence in Wisconsin.

Candy Lightner, founder of Mothers Against Drunk Driving (MADD), accused Earl of taking the liquor industry's side in not backing a drinking age raise.

"Only the liquor industry and the kids affected are against raising the drinking age," said Lightner.

In an attack on Earl's and the Tavern League's stance that traffic stats do not warrant an age raise, Lightner said that the State of Wis. is ranked the 11th worst state in a study done nationally by the National Commission Against Drunk Driving.

Lightner added that the reciprocity called for the governor is too hard to enforce and will bring about the production and distribution of phony Wis. licenses.

She also castigated Earl for costing the tax payers money in lost federal road revenues. Earl said he would not give into President Reagan's blackmail in disallowing federal road funds to states that do not adhere to the 21-year-old drinking law.

## VFW Changes Date

The Ladies Auxiliary to Veterans of Foreign Wars Post 4308 has changed the date of its Salad Bar Luncheon and card party, from Sept. 19 to Oct. 3. Starting time is noon. Tickets are \$3.50 per person from any auxiliary member, or at the door.

As in the past, the auxiliary members will use their favorite recipes for their dish to pass. There will be door prizes to be won. This is an annual affair that all can enjoy. One third of the proceeds will be used to help pay for the senior citizens cancer research and insurance, and two-thirds will be placed in the general fund to help the needy, veteran relief fund and many other projects that this

auxiliary participates in.

The auxiliary to V.F.W. Post 4308 received many citations this year, at the state convention through their contributions to Statue of Liberty, V.F.W. Home, Christmas Cheer, Child Welfare, Cancer Aid and Research Hospital and V.A.V.S.

June Savage, past president, received an award for her outstanding work for the National Home Program, Joyce McCleod, past president, for her outstanding hospital work and Doreen Lagoni, for her continuous unfailing work on the Poppy Program and displays for which she won the post and auxiliary much recognition.

## RSVP Holds Banquet

The Retired Senior Volunteer Program (RSVP) of Lake County, locally sponsored by the Lake County Community Action Project, held its Fifth Annual Recognition and Awards Banquet on Thursday, Sept. 12.

Senior volunteers were publicly honored for donating their time to human service agencies and other community programs in Lake County. Cathy Gates, director of RSVP, presented certificates to RSVP volunteers who have served from one to five years. In addition, those agencies that support RSVP in Lake County, were also recognized.

Special awards were presented to volunteers that

served the most hours in seven basic human need categories: William Oglesby/health & nutrition, Hazel Schultz/knowledge & skills, Faie Alexander/economic development, Eileen Fowler/housing, Fannie Crist/energy, Emily

Merlock/community services, and Loretta Edwards/criminal justice.

This year's top volunteer award went to Emily Merlock for the most hours served. The agency of the year was Victory Memorial Hospital.

## Naturalist Turns To Organ

by GLORIA DAVIS

Lake County residents who were active in the 4-H from 1970 to 1976 might recall Bill Messerschmidt who was then the Lake County 4-H Adviser.

Messerschmidt's love for the outdoors has lead him to pursue a new career in fish and wildlife biology which in turn brought about a position as a National Park Ranger, first for the National Park Service in Fort Smith, Mont., and since last fall, at the Knife River Indian Villages in Stanton, N.D.

But soon old Lake County friends can not only see but hear Messerschmidt again when his new hobby of playing the classical pipe organ for volunteer recitals will bring him near to his old stomping grounds.

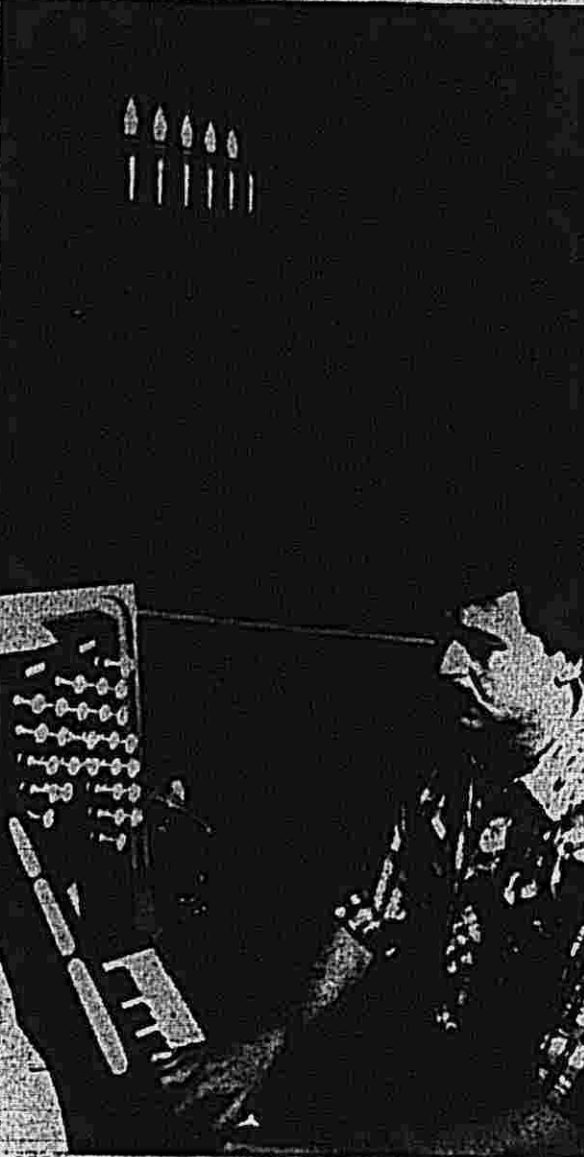

He is scheduled to help honor the 300th anniversary of Johann Bach with a concert featuring his music, at 7 p.m., on Oct. 4, at the chapel of the Lutheran Home and Service For the Aged, at 800 W. Oakton St. in Arlington Heights.

Having played the piano as a child, Messerschmidt discovered the pipe organ when he met organ virtuoso Marian Webb, his music professor from Southern Illinois University to whom Messerschmidt is dedicating this concert in honor of her 25 years as a college teacher.

Though some might think that the combination of a naturalist, who spends many hours inside of a church practicing, to be unusual, Messerschmidt considers his organ playing a chance to share "my own natural resource" with everyone.

"Music is a way of feeling. So is being outdoors," he said describing his two major loves outside of his wife Mille who, a musician in her own right, will be at the concert with him, turning pages and helping make sound changes on the piston stops.

Featured in the Bach Sowncase will be "Toccata and Fugue in D Minor", "Prelude and Fugue in A Minor", "Little Fugue in G Minor", "Dorian," and other works.

## College Criticized On Smoking Issue

The issue of the hazardous pollution of the air by tobacco smoke in the College of Lake County buildings was tabled for further consideration by the College Senate at its Sept. 5 meeting.

Jacquelyn Hassett, R.N., director of health services for the college, presented documentation about the hazards of smoking and its adverse effect on non-smokers as well.

A report prepared by the College's Clean Air Committee was also presented at a meeting Sept. 5. It included a survey of staff and faculty on the smoking issue. The report stated that the "The College of Lake County

promotes, by default, an unhealthy environment for students and employees, by not restricting smoke to enclosed places."

The survey revealed that many faculty and staff members are bothered by a smokey environment. Several people reported that they suffered persistent headaches because of the smoke. Others said they regarded it as the number one problem in the teaching/learning environment of the college.

Several staff members hinted that litigation may be instituted against the college unless the smoke is curtailed. One staff member

said that college employees were reluctant to raise the issue of the smoke-laden air because they felt intimidated by the fact that most administrators and the college trustees are smokers.

A student member of the Senate said that he believed that the majority of the students did not smoke, and would support legislation to curtail smoking. When questioned about the procedures to enforce strong restrictions on smoking, one faculty member remarked that if the security police can issue tickets for illegal parking, "they certainly could give tickets to protect our bodies."

## Make Car Rally Plans

Plans for the annual Lake Geneva Classic Car Rally, to be held on Sept. 21 and 22, at the Americana Lake Geneva Resort were being made at a meeting of the Corinne Kreissl Memorial Foundation. From left are, Director Dick Bush, Lake Geneva, Sec. George Kreissl, Texas, Director Joe Kennedy, Fontana. All proceeds will benefit the American Cancer Society Childhood Research, in memory of Corinne Kreissl.

## Car Rally to Feature \$15,000 In Prizes

Reminders of days gone by will pass, as the eighth Annual Lake Geneva Classic Car Rally begins its first two-day event on Saturday and Sunday, Sept. 21 and 22 in Lake Geneva.

The unusual event, previously on Sunday only, is sponsored by the Corinne Kreissl Memorial Foundation, Inc., with the

cooperation of the American Cancer Society, Geneva Lake Area Chamber of Commerce, Lake Geneva Rotary Club and Walworth County CB Radio Club. Over \$5,000 in prizes await the winners of the around-the-lake tour for children's cancer research.

As last year, a 1931 Stinson Tri-motor Airliner will be

featured as well as hundreds of classic, antique and special interest vehicles. Spectators and participants will have a chance to see and ride in the completely restored antique airplane at the Americana Lake Geneva Resort, site of the annual event.

Registration for the rally is from 2 to 6 p.m. on Saturday, or 8 a.m. to 11 p.m. on Sunday at the Americana. Stops in five zones around the lake include: Americana Lake Geneva Resort, Silvano's, Mar's Resort, Gollwitzer's, Bay Shore, Stevenson's III, Crow's Nest, Chuck's, Abbey Springs Club House, Four Seasons and Shore Club. Saturday participants need not attend Sunday's event to be eligible for rally participation prizes.

## Singer To Perform

Tim Dewey, of Nashville, Tennessee will be sharing his ministry of singing and preaching with us at MARANATHA ASSEMBLY OF GOD, 1309 Court St., McHenry on Sunday, Sept. 22 at 10:45 a.m. and 6:00 p.m., the Rev. Larry Thompson has announced.

His distinctive vocal music along with powerful gospel preaching has won him entrance into churches from coast to coast in the United States, Canada and Latin

America, as well as concerts in fairs, colleges and conventions.

Rev. Dewey has a unique style in his sermon presentation that appeals to young and old alike. As he ministers in youth camp across America, his heart is stirred by the problems young people face in our humanistic society and he addresses those problems directly.

The Deweys also have been actively involved in mission work for many

years. With the help of family and friends, they have financed the building of churches in Central America. You will be challenged and blessed as you hear first hand what is happening in other countries.

He will bring you into an atmosphere of joy and worship that will keep you singing for days. Come and be a part of this praise experience to the Lord. Admission is free.

## Job Picture Improving

Waukegan/Lake County area employers foresee favorable employment prospects for the final months of 1985, according to the latest Employment Outlook Survey released by Manpower, Inc., the world's largest temporary help firm.

Chuck Bartels, of Manpower's Waukegan/Lake County operation, said, "Our survey shows that 27 percent of the employers surveyed intend to increase staff during October, November and December, while seven percent say they will cut back. The other 66 percent foresee no change in their work forces for the year's

fourth quarter."

The outlook last year at this time was much less optimistic. Then 23 percent anticipated staff additions and another 23 percent expected cuts. In a similar survey three months ago, 17 percent said they would add staff and 10 percent decreases.

The outlook for Waukegan/Lake County is strong compared to the national outlook where 25 percent of more than 12,000 employers polled indicated intentions to hire, while 10 percent said they would reduce their work forces. In the Midwest, 22 percent

foresee staff additions and 12 percent expect reductions.

Here in the Waukegan/Lake County area, local job opportunities for the next three months are forecast by wholesalers and retailers, durable goods manufacturers and transportation/public utilities and finance/insurance/real estate firms.

Geographically, patterns are quite similar, with the South showing the most favorable outlook. Northeastern states are approximately at the national average and the Midwest and West reflect weaker trends.

## Pizza Hut Picks Lindenhurst

Lindenhurst Mayor Robert R. Ratch announced that negotiations have been completed for the purchase of Cindy's Restaurant by Pizza Hut of America. The restaurant, closed since early spring, was owned by J&L Oil, Inc.

Ratch said that Pizza Hut was the second national chain to recognize that Lindenhurst's growth was presenting good marketing opportunities. He met with Pizza Hut's representative in June and presented demographic materials that he hoped would be convincing. "It appears that they liked what they saw and I am delighted to welcome

them to Lindenhurst," he said.

Pizza Hut will be experimenting with a drive-up window for carry outs at the Lindenhurst location. This is a relatively new marketing concept for Pizza Hut. "However, they apparently feel the Lindenhurst location presents a good market for this experiment," Ratch said.

A complete renovation of the existing structure will begin immediately. The grand opening is expected by Nov. 15. The remodeled structure will present a new dining area, kitchen and Pizza Hut's characteristic red mansard roof. The

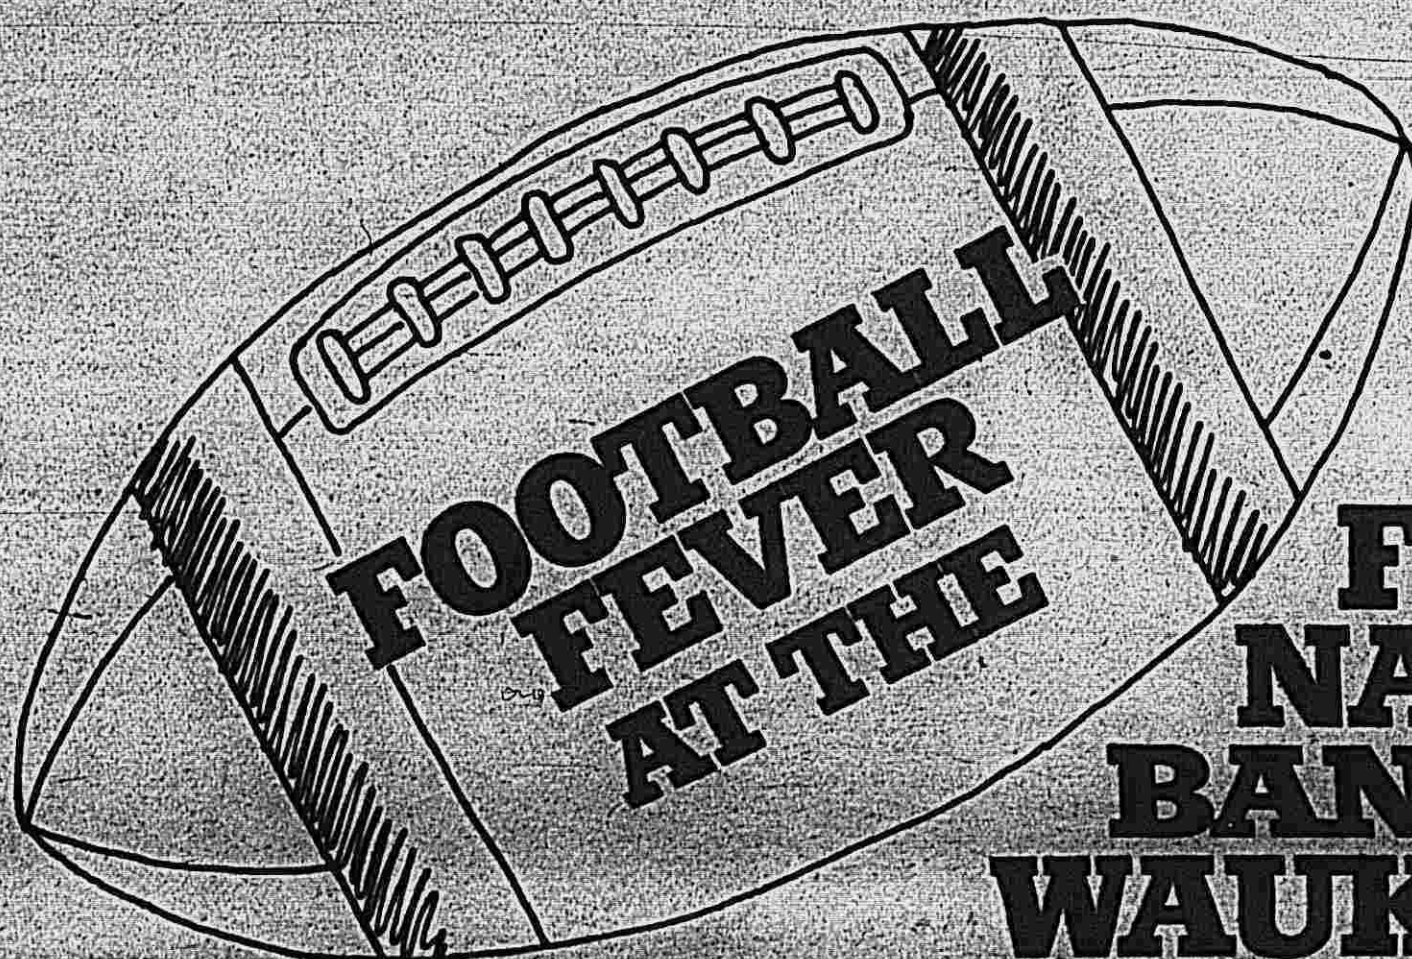

restaurant will have a seating capacity for 72 and 38 parking spaces.

## Invite To Celebrate

Children in grades first through eighth are invited to celebrate Johnny Appleseed Day at the Round Lake Area Library, 442 Cedar Lake Rd.

# Antioch Man Charged With Theft, Forgery

A 24-year-old Antioch man who has been charged with 9 counts of forgery in Antioch is in the McHenry County Jail for not returning a 1985 Pontiac Fiero that he took for a test drive.

Dennis S. Grabow, of 75 Ida St., was charged by Antioch police for bad checks he had written to Foremost Liquors and the Village Pub.

He was charged with theft over \$300, of-fense related to a motor vehicle and driving

on a revoked licence by McHenry City Police, according to Comm. Ray Donahue.

Antioch police spotted Grabow Sept. 14 for going 54 miles per hour in a 35 m.p.h. zone on Rte. 83 near North Ave. Grabow then initiated a chase that ended near the corner of Parkway and North Avenues, west of Rte. 83.

Earlier, Grabow ran in an hit-and-run accident on the corner of Rte. 173 and Wilnot Rd, said Antioch Police Lt. Tom Fisher.

## Along the way with ANNIE MAE

Did everyone enjoy the beautiful fall weekend? I hear 73 children that attended the Northern Illinois Conservation Club Camp Out sure did. The weather was perfect for the outing. They enjoyed a large bon fire, demonstrations from the rescue squad, fire department, a boat trip and hamburgers and pop at Blarney Island and a field trip at the Volo Bog. That is just a portion of the two day excursion. I understand the counselors and chaperones were a bit tuckered out by the time it was over but the children were vibrant and happy Sunday when it ended. It sure sounds like a nice time and it is free to the children that sign up-all taken care of by the Conservation Club. I guess the property on Rte. 173 is a beautiful spot and has lots of space for them to roam. Oh to be young again!

Congratulations to Milt and Marge Fridrich on their 25th Wedding Anniversary. I guess they had one heck of a celebration with about 250 friends and relatives! We will toast to the next 25!

Reports from the Village is that the Public Works Golf Outing went real well but there weren't too many running around bragging about their golf scores! Sources say some of the best scores weren't necessarily accurate-Why??? (Tom Huebner?) They say Bill Vos did real well even though he had not held a golf club in 25 years and the Mayor shot a good game - but they found out he had been practicing! Joe Heuber shot a 38 - not bad Joe! Bill Smith of "My Brother" treated everyone to a nice boat trip on the chain after having a fish dinner! They were more impressed with the way he handled a boat than the way he handled a golf club!

The community had a great loss last week. Our condolences go out to the family of Katherine Wells. She will be greatly missed.

The Antioch Fire Department hosted a County Round Robin Water Fight Playoff Sunday at Williams Park. The first place trophy went to Arlington Heights Fire Department, second to Wauconda and third to Lake Villa. Congratulations!

Keep rootin' for the Sequoits!

## Curator To Talk Arts

The Lakes Region Historical Society will hold its first meeting since the summer recess on Thursday, Sept. 26. The program will feature Katherine Hamilton-Smith, curator of Special collections at the Lake County Museum. She will be speaking on the style of Art Deco, using images from the world famous Curt Teich post card collection to illustrate her talk.

The meeting will be held in the Brook community Room at the State Bank of Antioch at 7:30 p.m. The public is always welcome. Refreshments will be served.

Art Deco is a term used to define the decorative arts from the 1920s and 1930s. It takes name from the 1925 Paris "L'Exposition Internationale des Decoratifs et Industriels Modernes." Art Deco is characterized by the qualities of symmetry, geometry, streamlining and the use of rectilinear forms.

As an added attraction, the society will have on display items from its own growing post card and World's Fairs memorabilia collections. Many of the post cards are from the heyday of the resort era in the local area.

## The Time Machine

### Ten Years Ago: September 17, 1975

The Antioch Lions Club has decided to ask the village of Antioch if it is interested in taking over the operation of its swimming pool.

Wearing Bicentennial attire during coming weekends are members of the First National Bank. They celebrated the bank's 50th anniversary and the nation's 200th by raising a flag with 13 stars.

### Thirty Years Ago: September 22, 1955

Fire Chief and Mrs. Edgar Simonsen are spending the week at Chetek, Wis., as a part of a two-week vacation. Simonsen will do a little fishing but he isn't promising to supply enough for a meal for the whole department.

### Fifty years ago: September 19, 1935.

With two games in the bag and five more to go, the Antioch Grade school baseball team is well on the way toward establishing an athletic record. Friday they invaded the grounds of their Grayslake enemy and came home with a 13-2 victory.

More than a hundred fine fish were taken by fishermen from Lake Marie despite a lull in the sport.

Andrew Lynch recently returned from a visit with friends and relatives in Wisconsin and brought back two 3.25-pound tomatoes.

Word has it Antioch's application to the PWA for a federal grant of 45 percent of about \$23,000 to be used for alterations and additions to the village hall and fire station has been received by authorities at Washington.

## To Hold School Night

The Annual Antioch Upper Grade School "Parents Back to School Night" will be held on Thursday, Sept. 26 at 7:30 p.m. Coffee and cookies will follow the class visitation. All are cordially invited. Parents/guardians are asked to report to their children's homeroom at 7:30 p.m. for instructions and schedules.

Parents/guardians are asked to please check with their child in advance to find out the homeroom number. Students will be placed in the corridors to guide you to the proper rooms.

This evening is designed to acquaint parents/guardians with the school programs, building and staff. It is not designed as a personal conference time to discuss individual students. Conferences, however, may be arranged with any staff member by calling (312) 395-1905.

# Rick Nelson To Appear At Marian Central

Rick Nelson and "The Stone Canyon Band" will be presented at Marian Central High School in Woodstock by the Boosters Club on Oct. 12, according to John J. Guanci, Jr. chairman of the concert committee.

## Dining Guide

The good eating spots, whether you're in a hurry, seeking family dining or out for gourmet food for that "special occasion," are featured weekly in Lakeland Newspapers.

Nelson, member of the family featured in "Ozzie and Harriet" radio and tv shows, has been an outstanding musician on the entertainment scene.

According to entertainment editors he has sold more than 60 million recordings, is number four in single sales and has 18 gold recordings.

The concert, also featuring the "Boone Boys Band," will be held at 7:15 p.m. and 10 p.m. on Saturday, Oct. 12. For information call (815) 338-2675.

## Bring Hammers And Saws To Build A Haunted House

by ARDEEN HARRIS  
(312) 395-2761

Sept. 21 is quickly approaching and help is needed at the Little Grass Lake School House to make it ready for the 11th annual Grass Lake Haunted House. The more people helping out

the school gym. Please plan on staying for the first PTO meeting of the year and get to meet the new officers and sign up for the various activities which are planned for the upcoming year. By the way, the open house will start at 6:30 p.m.

Vandrush will have his day on Sept. 30, he's just busy "clowning" around! John Freshman will be another year older on Oct. 1. He stays young by his involvement with the cub scouts. Happy Birthday to you all!

Harry and Sue Lengvenis will be celebrating their anniversary on Sept. 28. Happy anniversary to you both!

Remember to call with your news and have a good week!

## Slate Open House

Millburn Community Consolidated School is having its open house for parents on Tuesday, Sept. 24, at 7:30 p.m. at the school.

All parents of children attending Millburn School are invited and encouraged to attend. The open house gives parents the opportunity to meet their child's teacher to familiarize themselves with the classrooms and facilities at Millburn School, and to listen to a presentation by their child's teacher on goals, expectations and curriculum for the 1985-86 school year.

The PTO will also be distributing its new and improved 1985-1986 Student Directory at the open house.

Congratulations to Mike Priller for making "Order of the Arrow" through the Boy Scouts. Mike is with Troop 80 and this award is one of the highest awards one can receive in scouting. Good work, Mike!

A few belated birthday wishes go to the following: Happy Birthday to Cathy Cramer who celebrated her day on Sept. 4. Cathy became a teenager and is in the eighth grade at Grass Lake School. Robin Rey turned "sweet sixteen" on Sept. 11. She is a junior at Antioch Community High School. Troy Crippin celebrated his day on Sept. 9. Troy is in his second year at Antioch Community High School. Tara Christopolus will be celebrating her sixth birthday on Sept. 27. Tara is in Mrs. Coia's first grade class at Grass Lake School. Howard Stann will be having another birthday on Sept. 26. He's retired and enjoying it. Eileen Stann will be celebrating her day on Sept. 30. She's also enjoying Howard's retirement. Al

the less work and time have to be spent by just a few, so give Pat Priller a call at (312) 395-3946 and make his day by saying you'll be there on the 21st. Don't forget to bring you hammer, saws and whatever you may be able to bring with you. As you're cleaning out your closets, keep in mind that the Haunted House Committee needs old dark clothes, wigs and old sheets.

All you ladies who signed up to be room mothers at Grass Lake School, be sure to mark your calendars for Sept. 27 at 9:15 for a meeting at the school. The meeting will be held in the art room, which is located downstairs and off the media center.

Sept. 20 will have Mrs. Larson's second grade class swimming at Camp Ravenswood. Be sure to remember to send their towels and swim suits with them on this day.

Sept. 25 will be the Grass Lake School open house. There will be a PTO meeting following the open house at approximately 7:30 p.m. in

## Vikings Beat McHenry

The Antioch Viking lightweight team beat the McHenry Hornets 33-0 with an offense led by running backs Greg Locher and Glen Graham each with 90 yards in seven carries.

Locher led the scoring with two touchdowns while Graham, Bill Wons and Garret Horn each had one touchdown.

On defense nose tackle Dale Morgan led the way with five tackles followed by strongside linebacker Jarid Ducla with five solo tackles, three for losses.

Playing key roles on offense were offensive ends

Pat Cote and Dan Papakakis, tackles Ed McGinn and Jack Thompson, guards Chris Parker and Craig Rench, who also handled the kicking, and centers David Heislemand and Arron Martin.

Key players on defense were defensive ends Fred Alexander and Brad Behling, tackles Frank Hannigan, Jack Thompson and Ed McGinn, nose guard Dale Morgan and linebacker Keith Carden.

Another great asset to the team was quarterback Todd Kupchak, who threw for 72 yards and one touchdown.

Antioch's next opponent will be the Round Lake Spartans at Round Lake Sunday.

## Offer Program

A free, Community program for families and friends of stroke patients and of patients who have head injuries will be offered by Kenosha Memorial Hospital (KMH) on Wednesday Sept. 25, from 6:30 to 8:30 p.m. in room 425 of the hospital.

# County Rape Victims Have A Place To Turn

by KAREN WILBERGER  
Gaylene Henry knows rape and sexual assault victims often need a place to turn—a place sometimes away from friends and family.

And Henry, the first salary employee of the Lake County Council Against Sexual Assault, wants to make sure area victims know they have a place to turn.

Two weeks after Henry's first day as executive director of LaCasa, she sits at a card table in a brand new office in dire need of furniture. She smokes a cigarette trying to juggle an office conversation with numerous incoming telephone calls.

"Everyday you're hopping. There's very little down time in this business," said Henry, whose goal is to expand the service throughout the county.

Henry said since she began on Aug. 19 things have been hectic. She spends much of her time working on a fiscal year budget and answering a telephone that used to be answered by a machine.

But she says the position is proving to be exciting and well worth the northbound drive from her DesPlains home, where she, her husband and two young daughters reside.

A lot of people say they are

happy that the position has been created at LaCasa, said Henry, after receiving numerous phone calls of encouragement and appreciation from heads of area organizations as well as residents.

**Gaylene Henry**

Henry is one of 74 people who make the Lake County organization tick. Besides Henry, there are 28 volunteer advocates, 28 volunteer crisis line counselors and 17 members of the board of directors.

The agency that began in February 1984 is not so small when people recognize the volunteers, Henry said, adding that the volunteers mainly work part time out of

their homes.

Counselors can be reached by calling the 24-hour hotline at 872-7799. People who want more information about the agency can call 244-1187.

"We try to recognize the courage it takes to pick up the phone and call us, especially if the rape or assault includes family or neighbors," Henry said. "We recognize that many rapists are not dressed in trenchcoats hiding behind a tree."

Henry said often rape and sexual assault result in guilt for the victim partly because of a stigma society often places on them.

Victims also often turn to depression, both emotional and physical, as well as nightmares, Henry said.

"It's good to have a friend to talk to, but it is also good to have a trained, experienced, empathetic voice at the other side that can help give solutions," Henry said.

Last year, the agency served 240 victims and it expects to help 300 people this year and 350 people in 1986.

"We expect the numbers to go way up after that," Henry said.

The agency helps a wide range of victims, male and female. Last year its youngest case was a 22-month girl and its oldest was a 65-year-old woman.

The agency also helps those close to the victim, including spouses, who are often ignored. Statistics show that half of raped women become divorced, with stress often being a contributing factor, Henry said. Until recently, she said, no one has helped the needs of the spouses.

Agency advocates are one source that help cut down stress. They also can help the victim through medical exams, police investigations and court proceedings.

Rape is the least reported crime in the country, Henry said, stressing that victims do not have to identify themselves (for the public eye) if they press charges. Victims should, but are not required by the agency, to report the crime so that police can have a description to find the suspect, she said.

For more information call the Council at 244-1187.

## Goshgarian To Seek Judgeship

John R. Goshgarian, 39, of Round Lake, has announced that he will seek the Republican nomination as judge of the 19th Judicial Circuit. He is currently an associate judge, appointed in 1983.

He will seek the position which is now held by Judge John L. Hughes, who has said he plans to retire.

A graduate of Grayslake Community High School, Northwestern University and University of Illinois Law School, Goshgarian was in private law practice for nine years before his judicial appointment. He has also served as an assistant state's attorney, the Lake County Public Administrator and Public Guardian.

He is a co-founder and former secretary of the Lake County Crime Stoppers, former chairman of the Police Committee for the Village of Round Lake, which he served as trustee.

He is a former director of the First State Bank of Round Lake and the Lake County Savings and Loan Association (now Home Federal Savings and Loan). Judge Goshgarian is also active in the Lions Club, Beach Park Lodge.

A lifelong resident of Lake County, he married Jeanne Toussaint, an attorney, in 1977 and they have one son, Andrew, 1.

Waukegan attorney Anne Conzelman has been named chairman of the campaign committee for Goshgarian. Campaign treasurer is Gary O'Neil, an accountant from Lake Villa.

Judge Goshgarian kicked

off his election campaign at a family picnic attended by more than 700 adults and 200 children Aug. 25.

## Present Business Protocol

"Cross Cultural Business Protocol: Japan and the United States," a presentation on doing business with the Japanese, will be presented by the College of Lake County Office of Continuing Education, on Saturday, Oct. 12, from 1-3:30 p.m., at the CLC Grayslake campus, 19351 W. Washington St., Grayslake.

Dr. Hiroki Kato, an expert in cross cultural communication, will discuss what to do and what to avoid on a first contact, corporate rank systems in Japan and the U.S., Japanese sense of time and timing, expected behavior in a bar or restaurant, Japanese table manners and more. Kato teaches at Northwestern University.

Cost for the presentation is \$20. To register, call (312) 223-1111.

## Tooting Going Bye, Bye

The plaintive wail of an approaching locomotive or the "look at me" toot of an approaching commuter train are becoming a thing of the past. Train sounds are being legislated out of existence by noise-conscious municipal officials.

Because residents of a neighborhood south of Grayslake in unincorporated Avon Township complained, the Lake County Board adopted a resolution last week prohibiting Milwaukee Road commuter trains from whistle blowing at the Alleghany Rd. crossing. The whistle ban was easy to enact. County Board members were doing what a growing number of cities and villages like Chicago, Evanston, Highland Park,

Highwood, Lake Forest, Northbrook and Zion are doing—prohibiting the blowing of train whistles.

The whistle bans are in accord with Illinois Commerce Commission regulations. Whistle blowing and bell ringing requirements may be dispensed with, if railroad crossings are protected by automatic flashing lights and/or crossing gates. Whistle blowing bans have become so effective, it is said, that North Western commuters make the trip from Chicago to Crystal Lake with nary a toot. Lake County Highway Supt. Martin G. Buehler, though, points out that train whistles still can be sounded in case of an emergency.

## Your Stake In The Press

Freedom of the Press is one of America's best known and most cherished freedoms; yet at the same time it is widely misunderstood. That is why one week is set aside every year in the form of National Newspaper Week to focus attention on the importance of press freedom—why it is important to all of us.

This year's theme of National Newspaper Week, being observed Sept. 15-21, is "Freedom of the Press is Everybody's Freedom." The theme focuses on the concept

that Freedom of the Press isn't the property of publishers, reporters, television stations, radio broadcasters or any of the other media. It literally belongs to everyone.

You as a reader and your fellow readers have the biggest stake of all in press freedom because it is your best guarantee for our nation remaining a free people. Even as you disagree with our views or the viewpoints of other editorial voices, the fact that these voices can be heard free from restraints also means that your viewpoints can be heard.

It is vital that readers like you comment regularly and at the same time support this newspaper as we provide you week after week with vital information. Part of the formula that keeps the press free and independent is our ability to publish advertisements. Readers, in effect, are insuring Freedom of the Press when they patronize our advertisers, letting them know that their messages in our ad columns were seen.

Our link with the marketplace provides for accountability, underscoring our own restrictions and responsibilities. It is a wonderful, remarkable system that provides the underpinning to our governmental system, our way of life.

So remember that Freedom of the Press is your freedom, too. A strong, free press and a strong, free nation go together. Let us work together to make sure this never changes.

## Editor's Viewpoint

### 3 GOP 'Leaders' Lost More Than Brae Loch On 13th

by BILL SCHROEDER  
It's all over!

Acquisition of Brae Loch Country Club by the Lake County Forest Preserve has been accomplished—or so it seemed the last time we checked. Even with an affirmative vote of 15 to 5 by commissioners, you can't be sure in the most wrenching issue to come before the county's highest deliberative body in years.

In the end, opponents still were kicking and scratching to scuttle purchase of the important open space and recreational facility, even though they knew they were hopelessly outnumbered. That's democracy? The will of the minority?

One of the opponents never wavered. Why? "The fairways are infested with dandelions," Dist. 4 Rep. Donna-Mae Litwiler told us the other day. Yes, friends, you heard right. Dandelions! These are the folks who represent us.

Dist. 6 Rep. Glenn Miller, a long-time Brae Loch foe, got cutsey as his ship was sinking, changing his nae vote to aye in an attempt to engineer a reconsideration vote and further delay the proposition that has been on the forest preserve "shopping list" for 10 years.

Courageously, three staunch Brae Loch opponents took a powder for the showdown vote on Friday, Sept. 13—Dist. 3 Rep. Robert Neal of Wadsworth, Dist. 4 Rep. Jim Fields and Dist. 5 Rep. Robert Depke of Warren Township. Hey, guys! Can't stand the heat?

Commission Chairman Donald Strenger also got cute for the grand finale, stepping out of the chairmanship so he could speak against the 158-acre mid-county layout and cast a no vote.

Brae Loch opponents left the dirty work of their final gasp to easy-going Dist. 5 Rep. James Dolan of Libertyville who gamely insisted that the half-century old course is a "disaster" because a Lake Forest consultant, who apparently measures all golf courses against Butler National or Augusta National, needs some greens repair and mowing.

Now that Brae Loch is public property, what did the taxpayers buy? As we see it, the public got another useful recreational facility with enormous potential, vital open space in a locality where "openness" rapidly is disappearing and a property that ties in hand-in-glove with two other landmark public places—the College of Lake County

Grayslake campus and the Lake County Fairgrounds.

The \$1.25 million announced purchase price was right. County Chairman James LaBelle of Zion called the amount a "raw land price"—meaning that the taxpayers are getting a good buy.

One aside in closing. So-called Republican leadership in county government came off spattered with egg from top to bottom—Neal, the county GOP boss, who fought Brae Loch like a banshee, Miller, the former county chairman and southwestern county party force, and Depke, who desperately wants to be county chairman again. They went into the Brae Loch battle presenting themselves as champs and they came out looking like chumps. Doubtlessly, the Brae Loch outcome won't go unnoticed by their foes—and their friends.

Neal, Miller and Depke lost more than Brae Loch Friday the 13th.

AMAZING—Foreign exchange student Kirstzn Fraser-MacKenzie left her teammates and onlookers in a state of shock the other day at a high school tennis contest. Kirstzn, waiting for a match, was nibbling on objects she was picking out of the grass—and they weren't blades of grass. Turned out the objects were ants.

"Are you eating ants?" the friendly Antioch High senior was asked. "Yes," replied Kirstzn with a mischievous grin. "Ants are good."

Kirstzn left the impression that ant eating isn't all that unusual in Zimbabwe, Africa, her homeland. OK. So maybe residents of Zimbabwe would be wide-eyed at raw oyster eaters or sophomores who gulp goldfish on a dare. Different people, different cultures. That's why we have foreign exchange students.

THIRD TERMER—Jay K. Ukena, Waukegan attorney, has indicated to Lakeland Newspapers that he probably will seek a third term as chairman of the Lake County Democratic committee next year. Ukena first was elected party chairman in 1982. In 1984, Democrats failed to win countywide office for the first time since 1972.

# Political Stepchild: That's Ill. Assembly

by JOHN STEINKE

The image of the state legislature was summarized by the New York Surrogate Court in an 1866 opinion. The court observed, "No man's life, liberty or property are safe while the legislature is in session." A former Rockford reporter once put the laws of the Illinois General Assembly in proper perspective. He weighed four statute books of the State of Illinois and announced, "They weigh exactly the same as a case of beer."

## Steinke On Politics

The Illinois General Assembly has been involved with a variety of issues including containment of health-care costs, restrictions on toxic waste disposal, stiffer drunk driving penalties, curbs on utility rates, mandatory use of auto seat belts, government reorganization, improvements in public schools, and "Build Illinois" public works projects.

Despite the enormous impact of the General Assembly upon our lives, state legislative elections have been the stepchild of Illinois politics. They rank far behind the campaigns for president, governor, Chicago mayor, and even ward committeeman in "the Windy City." Legislative contests generate about as much public interest as my column. Can you identify your state lawmakers and explain how they have voted

on one single issue confronting the Illinois General Assembly?

The 1870 Illinois Constitution created the unique cumulative voting system for electing the members of the State House of Representatives. The delegates of the 1869-1870 convention were apprehensive about the political divisions between the solidly Democratic Southern half and the solidly Republican Northern half of the state. This fragmentation was produced by the Civil War (1861-1865).

They searched for a method of strengthening Downstate Democrats and Chicago-area Republicans. The 1870 Convention wanted to guarantee strong minority representation in the legislature from all parts of the State without jeopardizing the principle of majority vote.

Cumulative voting is what they adopted to ease the post-Civil War polarization of the state. Under the system, Illinois' 59 districts each elected three House members with no more than two coming from the same political party. The 177 members of the Illinois House all served for two-year terms.

But Patrick Quinn's Coalition For Political Honesty complained that cumulative voting confused voters, violated the one-man one-vote principle of the U.S. Constitution and often resulted in little competition at the ballot box. In 1980, the Quinn organization sponsored a constitutional amendment to eliminate Illinois' cumulative voting system, reduce the size of the House by 59 members, drop the three-member districts and establish single-member districts. Illinois voters approved the so-called cutback amendment by an overwhelming 68.7 percent of the ballots cast on the referendum. (First of a series.)

## Students Make Semi-Finals

Carmel High School for Girls, Mundelein, has announced the names of its semi-finalists in National Merit Scholarship competition. Named are Cynthia

Tarkowski, Wauconda, and Mary Frances Utley, Grayslake. They join 15,000 high school seniors representing outstanding young men and women from

all 50 states.

The Semi-finalists represent the top scorers in each state, or less than half of one percent of each state's high school senior class.

## Win Awards

The Pom Pon and cheerleading squads at Carmel High School for Girls had a very exciting and rewarding summer. Both squads were awarded trophies, individual ribbons and spirit awards.

The cheerleaders won a special award for "most spirited" squad. This recognition, an honor much coveted at camp, was voted on by the squads themselves.

University of Wisconsin-Whitewater was the site of the NCA pom squad camp. Cheerleaders attended the NCA camp at Rockford.

Members of the Cheerleading Squad are:

Sheri Pink-Libertyville; Kelly Esp-Gurnee; Michelle Powell-Gurnee; Patti Dicello-Waukegan; Mary Lisa Gray-Ingleside; Jill O'Sullivan-Ingleside; Christina Quinn-Ingleside; Jackie Semasko-North Chicago; Jackie Howell-Mundelein; Michelle Michaelis-Cary; Caroleen Cea-Buffalo Grove; Ellen Spicuzza-Barrington.

Members of the Pom Pon Squad are as follows:

Kim Sibilik-Lindenhurst; Diana Powell-Round Lake Beach; Lynne Monroe-Mundelein; Margaret Berg-Mundelein; Laura O'Rourke-Mundelein; Lauri Wirtanen-Gurnee; Kristen Conroy-Great Lakes; Dona Keller-Wildwood; Karen Tollefson-Long Grove; Gia Syracuse-Long Grove; Kathy Poulos-Waukegan; Monique Sharifi-Waukegan; Sue Migely-Arlington Heights; Cyndi Ridenour-Barrington; Paula Thomas-Libertyville; Tracy Ambrosio-Wauconda; Diana Dettman-Wauconda; Barb Vejvoda-Lake Villa; Nancy Stasko-Lake Zurich.

## Precinct Leader Lauds McConnell

One of Lake County's hardest working Republican precinct committeemen has extended his support to Wauconda Village Clerk Venita McConnell in her quest for the GOP nomination for Lake County Clerk in the 1986 elections.

David Anderson, the committeeman of Warren Township's 242 precinct, issued a statement to Lakeland Newspapers on the Lake County Clerk's race.

Anderson asserted, "We need someone to run for Lake County Clerk that has proven experience and credentials. This campaign to unseat Democratic County Clerk Linda Hess will not be a cakewalk."

"Voters are more educated and follow the issues more closely than ever before. That is why we must field a qualified candidate with electability. Wauconda Village Clerk Venita L. McConnell possesses the qualities that the voters are searching for in the present contest for the Republican nomination for Lake County Clerk."

Anderson was the Reagan-Bush 1984 voter registration chairman for Lake County. Last year, Ronald Reagan captured 68.7 percent of the Lake County vote, recording the largest percentage of the two-party vote of any presidential candidate in the past fourteen elections.

## EYEWEAR, NO LONGER A NECESSITY?

EYE SURGERY WHICH TAKES PLACE WHILE THE PATIENT SNOOZES IN AN OUTPATIENT CENTER NOW OFFERS THE REALISTIC HOPE OF REMOVING EYEGLOSS DEPENDENCY FOR MANY WHO ARE UNCOMFORTABLE WITH CONTACT LENSES OR WHO SEEK FREEDOM FROM EYEWEAR FOR PERSONAL OR PROFESSIONAL REASONS.

THESE SURGICAL TECHNIQUES, FIRST USED IN THE U.S.S.R. AND IN COLUMBIA, CAUSE BETTER FOCUSING OF LIGHT WITHIN THE EYE BY RESHAPING THE CORNEAL WINDOW.

IN THE SOVIET TECHNIQUE (FYODOROV), CALLED RADIAL KERATOTOMY, HALF MILLIMETER-DEEP RADIAL CUTS GOING FROM THE PUPIL'S EDGE TOWARD THE WHITE PORTION ALLOW A NATURAL FLATTENING EFFECT ON THE CENTRAL CORNEA TO OCCUR.

REFINED IN THE U.S.S.R. SINCE 1973 AND IN THE UNITED STATES SINCE 1978, MORE THAN 100,000 KERATOTOMIES HAVE BEEN PERFORMED WORLD-WIDE.

SEVERAL U.S. STUDIES HAVE RECONFIRMED ITS SAFETY AND HIGH EFFECTIVENESS, THOUGH SOME RARE, SERIOUS COMPLICATIONS HAVE OCCURRED.

KERATOTOMY CORRECTS NEARSIGHTEDNESS AND ASTIGMATISM.

IN THE COLUMBIAN TECHNIQUE (BARRAQUER), THE SURGEON USES HIGH-TECH EQUIPMENT TO REMOVE A QUARTER-MILLIMETER-THICK CONTACT LENS-SHAPED WAFER FROM THE FRONT EYE WALL.

THIS PROCEDURE, WHICH HAS A 25 YEAR TRACT RECORD, CORRECTS FARSIGHTEDNESS AS WELL AS NEARSIGHTEDNESS BEYOND THE RANGE OF KERATOTOMY.

# Voter Registration To Close Sept. 30

Voter registration for the Nov. 5 Non-Partisan school election will close at almost all locations throughout Lake County on Sept. 30, according to Lake County Clerk Linda Hess.

"For those residents who wish to register after this date," noted Hess, "they

may do so only at the County Clerk's office in Waukegan or any Municipal or Town Clerk's office through Oct. 7."

Any voter who has recently moved should notify our office immediately of their change of address so they will not be ineligible to vote

in November," she explained.

Young people who will turn 18 years of age by Nov. 5 may register to vote prior to the close of registration.

"In addition," said Hess, "voters who will be out of the County on election day may obtain an application for an absentee ballot now by calling our Absentee Voting Dept. at (312) 689-5912."

The use of HCG in a weight reduction program was originally researched and developed by Dr. A.T.W. Simeons of Rome, Italy over 30 years ago. Since Dr. Simeons' early work, HCG has been prescribed in Europe for weight reduction in both men and women. The program has been successfully used in the U.S. for the last 15 years.

Indications: HCG is not approved by FDA as safe and effective for weight control. There is no substantial evidence that it increases weight loss beyond that resulting from caloric restriction, that it causes a more attractive "normal" distribution of fat, or that it decreases the hunger and discomfort associated with caloric restricted diets.

## Governor Signs DUI Bill

Drunk drivers who fail or refuse breath tests will face automatic driver's license suspension starting in 1986 under a bill sponsored by Senator David N. Barkhausen (R-Lake Bluff) that was signed into law by Governor James R. Thompson.

Barkhausen commented, "I believe this measure is tough enough to make people think harder about drinking or using drugs when they know they will be driving. I expect it to reduce traffic accidents dramatically, and of course that is the goal—to protect lives and property."

Effective Jan. 1, 1986, drunk drivers can lose their driver's licenses for three months if they fail a breathalyzer and for six months if they refuse to take the test.

Police will be authorized to take the driver's license of a suspected drunk driver, if the breath test is failed or refused, and to give the motorist a 45-day permit in its place.

The driver may request a court hearing, but if driver privileges are not reinstated by the court, the suspension will remain in effect for the required period.

Barkhausen said the new law will be both tougher and speedier than existing procedures. At present, a hearing is often delayed for months after an arrest, and the driver continues to be a menace to innocent motorists during that time.

"Drunk drivers are a hazard to themselves and others, and I believe this stronger measure will deter many from drinking and driving," he said.

# County Votes 15-5 To Buy Brae Loch

Members of the Lake County Forest Preserve Dist. board have ended the Brae Loch Country Club novel by voting to purchase the golf course at a price of \$1.25 million Sept. 13.

The final vote was 15-5, after Dist. 6 Rep. Glenn Miller (Long Grove), who originally voted against the purchase, switched his vote from no to yes in an attempt to have the purchase reconsidered at the Sept. 20 meeting.

Forest Preserve President Donald Strenger, who issued a veto after the board voted to purchase the property May 15, indicated that he would not issue a veto this time should the board vote in favor of the purchase, which it did.

Before the final vote, Strenger stepped down from his chairman's podium in order to address the issue.

He announced that he would not veto the board's decision, but asked that the board refer the issue back to committee. This request was rejected in a split voice vote.

It was the general consensus of the five board members who voted against the purchase that Brae Loch would be a terrible investment in that it would cost too much money to get it back in shape.

"We don't have the money to put Brae Loch back in shape. Even the buildings

need help. It's not only the golf course itself," Dist. 5 Rep. Jim Dolan said.

Dist. 6 Rep. Gerald Beyer, who was unable to vote due to the fact that he was chairman pro tem during the voting procedure, said, "To buy Brae Loch would be a terrible investment."

Absent from the vote were three board members who were previously against the purchase: Dist. 5 Rep. Robert Depke, Dist. 4 Rep. Jim Fields and Dist. 3 Rep. Robert Neal.

These absences were the main reason behind Miller's attempt to delay the vote until Sept. 20.

Miller also urged the board to consider purchasing the Clavey Nursery property, near Deerfield, instead of Brae Loch.

In the final vote, those in favor of the purchase were: Dist. 1 Reps. Helen Amendola and James Mitchell Jr.; Dist. 2 Reps. John Balen, Stanley Pekol, Audrey Nixon and Tony Serdar; Dist. 3 Reps. James LaBelle, Samuel Payne Sr. and Eleanor Rostron; Dist. 4

Rep. Norman Geary; Dist. 5 Reps. Eugene Martin and Andrea Moore; and Dist. 6 Reps. Miller, C. Richard Anderson and Patrick Wilson.

Against the purchase were: Dist. 1 Reps. Strenger and Deloris Axelrod; Dist. 4 Reps. Fred Popp and Donna-Mae Litwiler; and Dist. 5 Rep. Dolan.

## Board To Hear Zone Hearing

The Zoning Board of Fox Lake will hold a public hearing Saturday, Oct. 5 at 7:30 p.m. at the Village Hall concerning a petition by Pauline Perna seeking to allow variation on a zoning ordinance.

She is seeking a special use permit that will allow a multi-family dwelling in Gremley and Miller's subdivision to be classified as a single-family dwelling.

### Homemakers To Meet

## Warren Comes Back In Double Overtime

by DON DE GRAZIA

When the Warren Varsity football team went to the locker room at halftime Sept. 14, they were trailing Fenton 15-7.

Warren came away from the game with a win but it took the entire second half and beyond to do it.

Warren tied the game up in the second half when tailback Pekeda Bennett ran a 10-yard sweep for a touchdown.

Warren then made the two-point conversion to tie it up. Regulation time ran out with the score deadlocked at 15-15.

Fenton scored first in overtime, giving them a 22-15 lead. Warren had one set of downs in which to tie it up, which Warren did on a Dave Sebastian touchdown pass.

Warren then scored on a Sam Diamatopoulos field goal from the four yard line.

Warren Head Coach Reggie Hughes decided to kick rather than go for the touchdown. "The way they

were shocking and hitting us, I didn't think we could score a touchdown. I also thought that if we kicked the field goal, we could get them to commit early."

Hughes' prediction proved to be true as Fenton threw up a pass which Warren's Diamatopoulos picked off, thus ending the game with Warren on top 25-22.

Warren, according to Hughes, played an extremely poor first half. Allowing Fenton to get the jump on them early.

"We played a very bad first half. It was a poorer first half than even the one we played against Niles last week when we lost to Niles 14-7," Hughes added.

The Blue Devils were plagued by many mental mistakes during the half. Particularly within the team's secondary unit.

One of these mistakes was allowing the touchdown pass to be thrown with under 15 seconds left in the half.

"We knew last year that

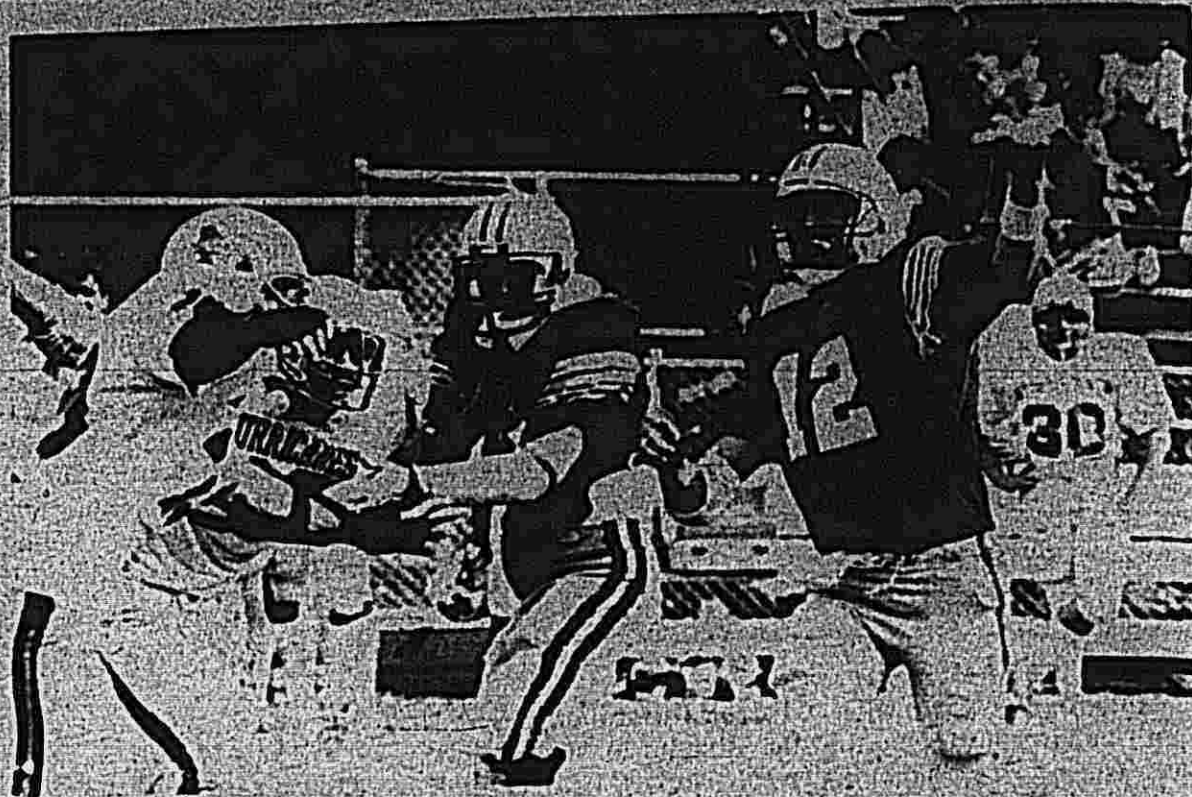

the secondary unit was going to have problems. We lost six kids to graduation so we have a lot green kids back there," Hughes said.

"We worked hard on the secondary all week before the Fenton game. They came out in the first half playing very badly. They finally came around in the second half. We have to hope that they will play well from the very beginning next week against Mundelein," Hughes added.

Hughes went on to say that the Blue Devils' secondary will "work like the devil" to prepare for Mundelein.

One stand-out for Warren in the Fenton game was Defensive End and Team Co-Captain Rock Kenyon, who had 14 tackles. "He did just a super job," Hughes stated.

"We played a bad first half but we came back in the second half. The coach was pleased with that. Our goal now is to win the rest of the conference games," Kenyon said.

## Wildcats Scalp Sequoits In 24-10 Massacre

by GLORIA DAVIS

The Antioch varsity grid-ers will be practicing hard all week, getting ready to take on a fast North Chicago team, at Antioch, on Sept. 21.

After the 24-10 loss to the Libertyville Wildcats on Sept. 13, the Sequoits are 1-2 in the North Suburban Conference.

Sequoit Coach Steve Wapon is leery of the fast Warhawk team with its outstanding running back Michael Wright and its three-year-veteran quarterback, Elmer Smith.

Although Antioch bowed to

Libertyville, losing by 14 points, Wapon said, "It was an excellent game, we played well but they played much better."

The Wildcats controlled the ball on the ground, rushing 205 yards to the Sequoits' 41 yards.

but Antioch did have the edge on the air-game with Sequoit quarterback Mike DoBosh completing 14 out of 26 passes.

Pat Bruks completed a nine-yard half-back pass to Chris Haley in the first quarter.

The Wildcats took the

second quarter kickoff and ran it back for a score and then Antioch did the same thing making the score tied at 7-7 at the end of the first period.

Libertyville scored twice in the second quarter, but Antioch again rallied and Brian Pankauskas kicked a good 33-yard field goal with just 31 seconds left in the first half.

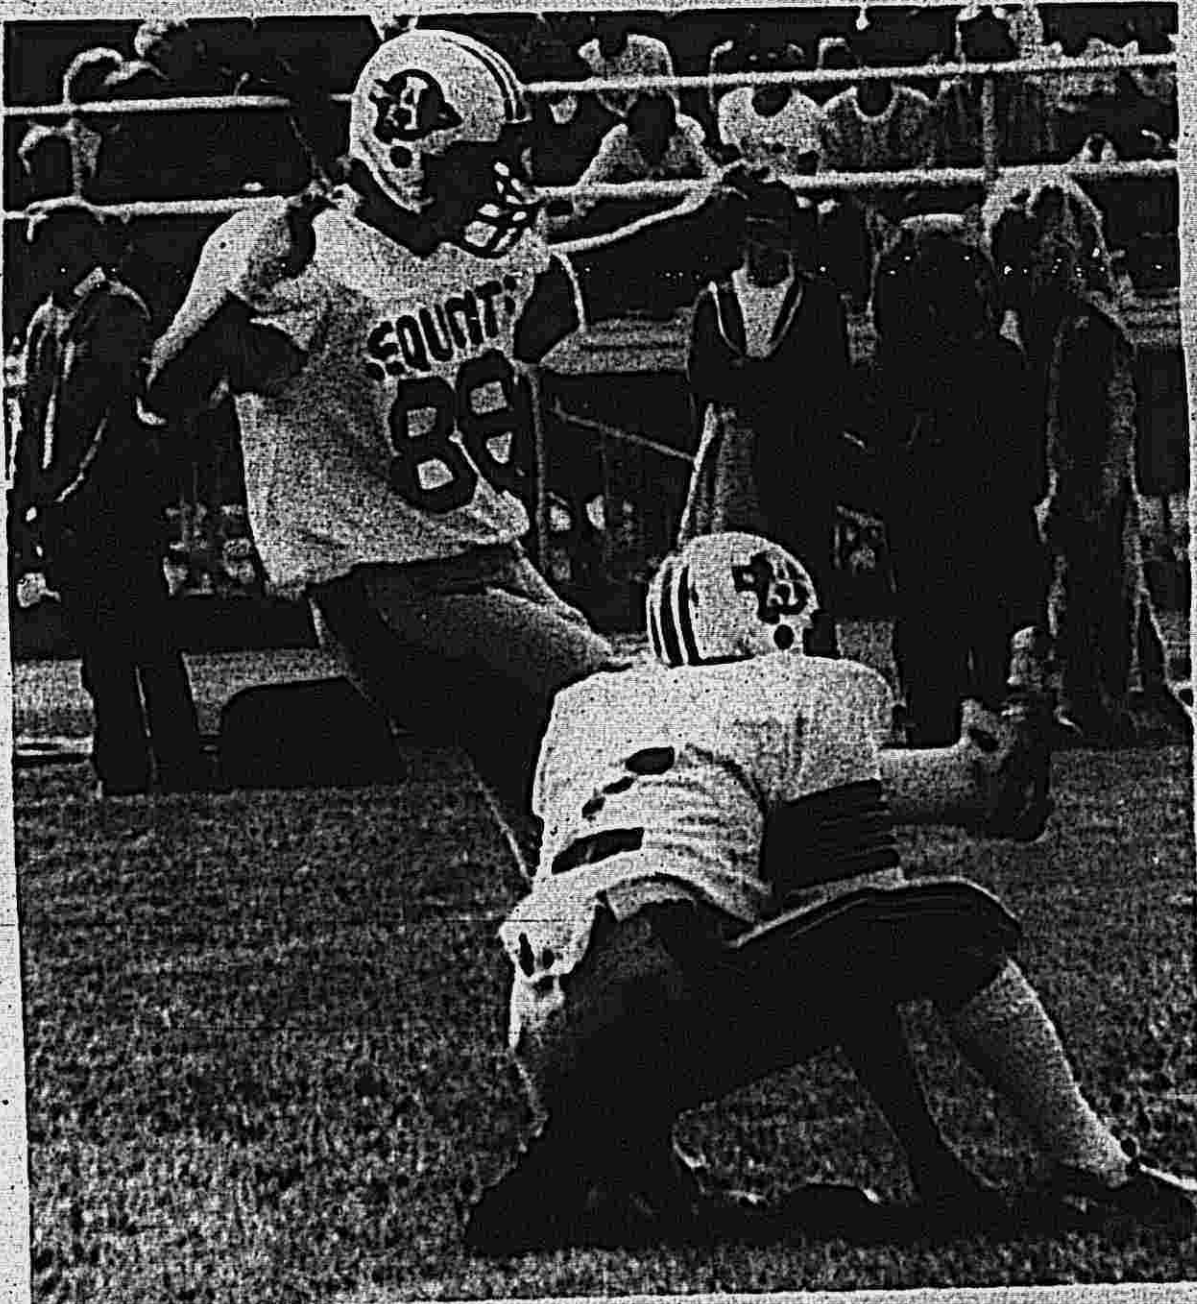

And that was almost the end of the scoring for the rest of the game since Libertyville's field goal was the only score of the final half.

Don Gunther was Antioch's leading pass receiver, marking down two catches for 18 yards.

Bob Visee was four for 56, Haley, six for 51, Pankauskas, 1-11, Tom Durell, one for four.

Three key interceptions made by Antioch failed to balance the scales. Two were caught by line backer Bob Johnson and the other by defensive back James Zoephel.

Wapon said, "Well be looking to see how much character we really have in the next game. That's what it will take to bounce back and win so we can get back in the conference race."

## Skyhawks Beat Wauconda 12-0 In Defensive Battle

by KAREN WILTBERGER

The Johnsbury Skyhawks defeated the visiting Wauconda Bulldogs 12-0 Saturday in a defensive encounter.

Frank Husak's 32-yard pass and Pete Switzer's ensuing fumble recovered in the end zone by Dan Stefka gave the Skyhawks a 6-0 halftime lead.

Husak's 1-yard quarterback sneak with 6 seconds

to go in the game finished the scoring for the Skyhawks against a team that has been held scoreless in its last two games.

"It was a very defensive battle all the way," said Skyhawk head coach Mike Roberts.

"We could have played better, but the bottom line is we're happy to get a win and get back on the track," said Roberts as the Skyhawks prepare to invade Marian

Central Friday night.

Wauconda head coach Fred Loffredo will be searching for an offense against Lake Zurich at home Saturday.

"Our defense played exceptionally well," said Loffredo, citing the play of senior Rich Machon, junior Todd Marlowe, senior Doug Kirk and junior Dan Torres.

The Skyhawk sophomores also showed their fans a win, beating Wauconda 18-0.

## Rams Invade Homecoming

The Grayslake Rams will be playing at Round Lake at 1 p.m. on Saturday, Sept. 21 unsure of how many players will actually be on the field.

"We had six players out last week and several hurt in the Marion Central game. I'll have to see who will be able to play to know what's going on," head coach Tom Wittum said.

All-conference players Tom Castino and John Lui were both injured during last week's game and whether or not they will be able to play is unsure.

Although dominating Marion Central, the Rams lost to the visitors with a

final score of 26-13.

Quarterback Tom Castino began the game with three out of three for 26 yards passing while Bill Sangbusch threw 15 for 41 for 241 yards.

Kevin Olson had six catches for 125 yards.

"Our offense did real well but our problem has been defense from the beginning," Wittum said, "Our team seems to be trying to play non-contact football. You can't do that and win."

Wittum feels that the key to the Grayslake game will be to work on the defensive game. "We need to start playing some defense," Wittum said.

## Inspired Panthers Pounce Bulldogs For Upset Win

by KAREN WILTBERGER

The Grant Bulldogs went down in defeat 3-0 by an inspired, clawing pack of panthers from Round Lake Friday night.

Bent on avenging last year's 49-0 defeat, the Panthers won this game with a tenacious defense and a conservative attacking ball control offense led by senior Troy Haines, who pounded

away at the Bulldog middle 27 times for 94 yards, and junior Charles Banker with 73 yards in 12 carries.

A 19-yard field goal by Dave Kaempf early in the second quarter staked the Panthers to a 3-0 lead and then the hungry Panther defense took over from there.

Jim DeLeon's interception in the end zone late in the

second quarter stifled the only legitimate Bulldog drive.

"They came to play, and we lost the battle in the pits," said Grant head coach Mike Rogowski about his 1-2 team that looks better on paper than it did on the field.

Round Lake head coach Mike Dunn said, "We went out there to gain the respect we lost last year and we got it back."

"We beat a good football team in a very physical game," said Dunn, who will be trying to keep his Panther team up for their homecoming Saturday against arch-rival Grayslake.

Grant invades Marengo Saturday trying to turn

around against a very tough Marengo team.

The younger Panther teams also pounced on the Grant Bulldogs. The sophomore team came home with a 20-12 win and the freshmen Panthers beat Grant on their home field Friday 28-12.

Starting this week the Round Lake football program will begin initiating fund-raising drives to light their football field.

Anyone interested in helping in these fund-raising activities can contact Ken Ricci, athletic director at Round Lake High School.

## Carmel Can't Wait To Get On Own Turf

Carmel's Corsairs always seem to do better on their own turf.

That's why they'll be happy to be at home at 8 p.m. Friday, Sept. 20, to play St. Patrick's in an East Suburban Catholic Conference contest, even though the Shamrocks are one of the league's emerging football powers.

The Corsairs have suffered defeat in two consecutive road games after an impressive whitewash defeat of Waukegan in the season's opener.

Any wonder that the "friendly confines" look inviting after a 10-7 loss two weeks ago to a combination of heat and Woodstock tenacity and a 38-6 embarrassment administered last Friday night by the always tough St. Viator Lions.

Undoubtedly, Coach Jim Rejc will be taking a "back

to the drawing board" attitude in preparation for St. Pat.

Against Viator Carmel's pass oriented offense never materialized. Even the usually reliable Corsair defense was left in shreds.

Carmel would have left the field in total humiliation had not Quarterback John Terle, been able to find Gurnee's Paul Brunke deep in Lion territory in the closing seconds with a 21 yard pass. Brunke, a senior running back, wiggled in for Carmel's only touchdown.

Only bright spot in the trip to Arlington Heights was another victory—their third straight—chalked up by the Carmel sophs.

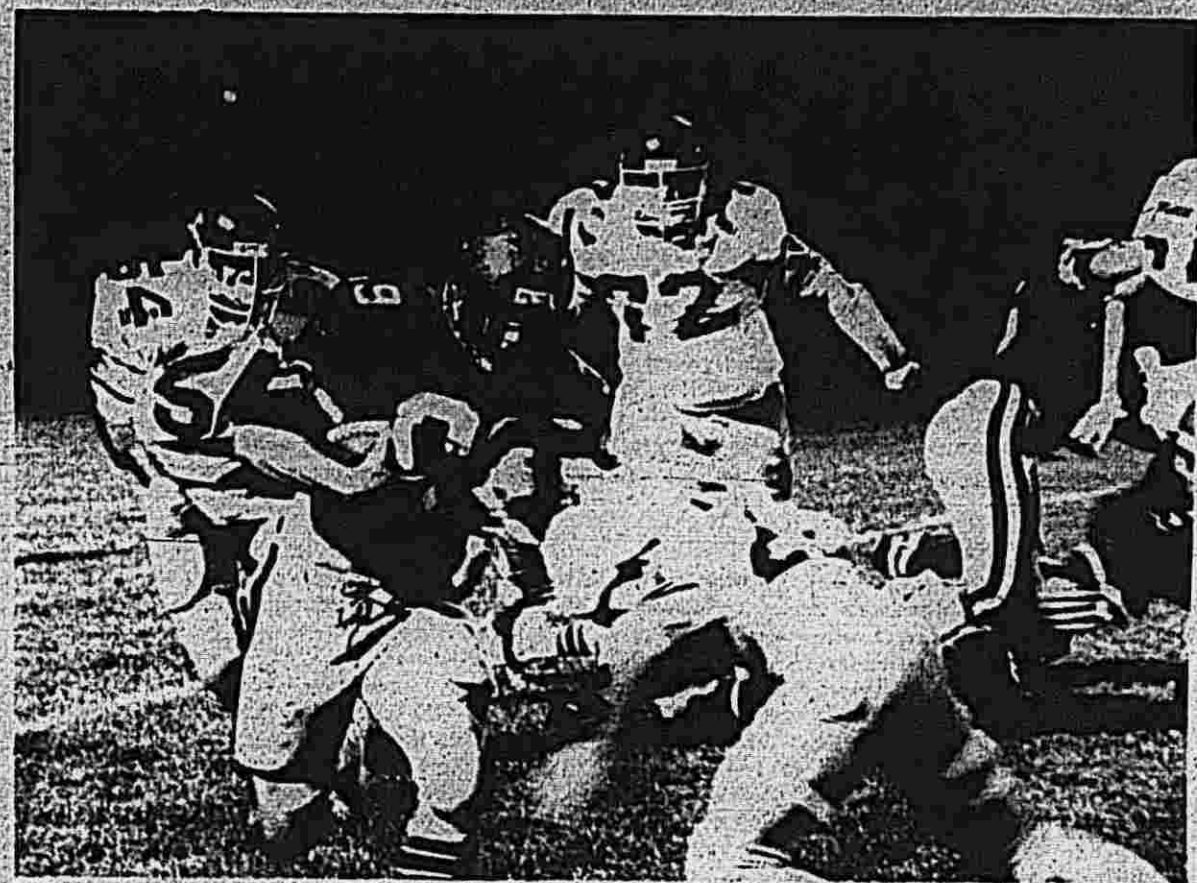

Led again by speedy Donell Foster of North Chicago who reeled off long gains and touchdowns, Mike Fitzbiggins' charges dominated with a 32-12 victory. Soph defenders

almost kept pace with the offense in scoring. Mundelein's Phil Ouimet interception's included one TD.

In the varsity contest, the momentum swung to St. Viator early in the game. On Carmel's second possession, Corsair fans were dumbfounded when Rejc elected to pass on a fourth and long situation instead of calling for a punt to put St. Viator deep in its own territory. The Lions followed with a scoring drive.

Shortly before the half with St. Viator ahead 22-0, Carmel's ace receiver, Bob Offner took a terrific hit in trying to haul down one of Terlap's long heaves.

Offner was able to leave the field under his own power, but badly shaken. That typified the Corsairs' encounter with St. Viator, which never has lost to Carmel.

## Mustangs, Warhawks To Regain Confidence

The Mundelein Mustangs and the North Chicago Warhawks will try to regain their confidence this weekend when they continue North Suburban Conference play.

The Mustangs will travel to Warren to take on the Blue Devils on Friday, Sept. 20, at 8 p.m., while the Warhawks will take on the Antioch Sequoias at Antioch on Saturday, Sept. 21, at 2 p.m.

The Mustangs are coming off a 20-6 defeat at the hands of first-place Niles North, while North Chicago was slaughtered by Zion-Benton 27-6.

Neither team could get their offense in gear last weekend and the defenses were taken to school.

The Mustangs, who are now 1-2 in conference play, will have to contain the Blue Devils' offense, as will North Chicago to Antioch's.

Warren scored 25 points last weekend against Fen-

ton, while Antioch scored 36 against Lake Forest the week before.

## To Hold Meeting

# ANTIOCH TOWNSHIP ASSESSMENT ROLL FOR 1985

## OFFICIAL ASSESSMENT LIST:

This publication is the official notice to property owners of the 1985 changes in assessed value of land and improvements in the Township of Antioch. The 1985 assessments as published herein are those determined by the Assessor and/or the Supervisor of Assessments.

It is the duty of the Assessor to assess all taxable property on a uniform basis of valuation so that the assessed values of the various properties are a just and equal assessment of such properties according to law.

The assessment roll recording the values of property determines only the distribution of the total tax load among the individual property owners. The assessor of the Township and/or the Supervisor of Assessments has no control over the amount of taxes levied, nor the public expenditures. The amount of these assessed values does not determine the amount of your tax bill. The established tax rate does that. The Assessor does not make the rate; he merely finds the value of your property.

## EQUALIZATION

The following printed assessments, as well as all other assessments in the Township, are shown at 33.33% of market value, having been equalized to that level by the Supervisor of Assessments, who has applied a factor of 1.0018 to all values except those assessed under the provisions of Sects. 20g-1, 44.1; and a factor of 1.3812 to all farmland assessed under 20e, to bring assessed value within 10% of the 1984 County aggregate assessed value of the Revenue Act of 1939, as amended. To determine the market value of your property, add the total of the land and total of the buildings and divide the result by 0.3333. If it appears that the resulting number is higher than the market value of the property you may be over-assessed. If the resulting number is less than your opinion of market value, the assessment may be low.

## ARRANGEMENT OF LIST

If you live in a incorporated area (city or village), your property is listed under the name of your city or village which will be in alphabetical order. Each street within the city or village is also arranged in alphabetical order. Property owners living on the same street will be listed as follows:

First-vacant property or improved property with no street number

Second-property with street number listed in numerical order (may be approximate)

If you live in an unincorporated area, your property is listed alphabetically by post office and street name. Then, property without street numbers will be listed first followed by numbered properties in numerical order.

## INFORMATION ON ASSESSMENTS

Any property owner who has any question in regard to the assessment of his property should call the local Township Assessor's office. This publication does not reflect reductions for Homestead Exemptions or Veterans Exemptions. Note that land value and improvement value appear separately and should be added together to arrive at a total assessed value. Certain of the values published will have been reduced by a Homestead Improvement Exemption, which under present law the reduction in assessed value could be as much as \$10,000 below the actual assessment. These values are subject to a State adjustment factor certified to the County Clerk by the Department of Revenue. Any property owner who objects to the amount of his assessment should file a complaint in writing with the Board of Review from June 1, to September 10, 1985, or until thirty (30) days after publication, whichever is later. Complaint forms may be obtained by telephoning (312) 689-6609 or by written request to the Supervisor of Assessments, County Building, Waukegan, Illinois 60085-4339.

Questions regarding the grid system used in determining address numbers should be directed to the Lake County Map Department, whose telephone number is (312) 689-6373.

#### LEGAL NOTICE OF PUBLIC HEARING

Notice is hereby given that on October 7, 1985, at 8:00 p.m., in the Council Room of the Village Hall, 164 Hawley Street, Grayslake, Illinois, a public hearing will be held before the President and the Board of Trustees of the Village of Grayslake, Illinois, regarding a plan to issue not to exceed \$2,000,000 aggregate principal amount of Industrial Development Revenue Bonds (the "Bonds") of the Village of Grayslake, Illinois (the "Village"), the proceeds of which will be lent to Hans Anger or his designee (the "Borrower") for the purpose of acquiring and constructing a building which will be leased to, for use by, Intrapa Mfg. Co., an Illinois Corporation (the "Company") in connection with its business of manufacturing and selling component parts for lift trucks, which building will be located on Route 63, one-quarter mile north of Illinois Highway 120, and in the incorporated area of the Village of Grayslake, Illinois.

The Bonds will be issued by the Village pursuant to Illinois Revised Statutes, 1983, Chapter 24, Section 11-74.1 et seq., and a resolution proposed for adoption by the Village. The Bonds will not be general obligations of the Village, the State of Illinois or any political subdivision thereof, but will be special, limited obligations of the Village as the principal of, premium, if any, and interest on the Bonds will be payable solely from revenues and receipts derived from the repayment of the loan by the Borrower (except to the extent payable from Bond proceeds, the income from the temporary investment thereof and moneys derived from and payments made pursuant to the instruments delivered in connection with said loan). The Bonds will not constitute an indebtedness or a loan of credit of the Village, the State of Illinois or any political subdivision thereof, within the meaning of any constitutional or statutory provision. No holder of any Bond will have the right to compel any exercise of the taxing power of the Village, the State of Illinois or any political subdivision thereof to pay the principal of, premium, if any, or interest on the Bonds.

The above notice of public hearing is required by Section 103(k) of the Internal Revenue Code of 1954, as amended. Written comments may also be submitted to The Village Clerk of the Village at her office located in the Village Hall, 164 Hawley Street, Grayslake, Illinois 60030 until October 7, 1985. Subsequent to the public hearing, the President and the Board of Trustees of the Village will meet to consider approval of the issuance of the Bonds.

Notice dated September 13, 1985.

Lumbermen's Investment Corporation, a corporation, Plaintiff,

vs.

Stacy Kelleher, et al., Defendants.  
**NO.: 85 CH-385.**

The requisite affidavit for publication having been filed, notice is hereby given you, UNKNOWN OWNERS, defendant(s) in the above suit, that the said suit has been commenced in the Circuit Court of Lake County, Chancery Division, by the said plaintiff—against you and other defendants, praying for the foreclosure of a certain (Mortgage) conveying the premises described as follows, to-wit:

Lot 12 in Block 5 in Hillhaven Subdivision, a Subdivision of part of the North East Quarter of the North East Quarter of Section 32, Township 46 North, Range 12 East of the Third Principal Meridian, according to the Plat thereof, recorded February 19, 1964, as Document 1216496, in Book 41 of Plats, Page 2, in Lake County, Illinois, commonly known as 11098 West Leland Avenue, Zion, Illinois 60099.

Permanent Tax No.: 04-32-201-015.

as (Mortgagee), and recorded in the office of the Recorder of Deeds of Lake County, Illinois, as document number 2314449, and for other relief; that summons was duly issued out of the said Court against you as provided by law, and that the said suit is now pending.

Now, therefore, unless you, the said above named defendant(s), file your answer to the Complaint in the said suit or otherwise make your appearance therein, in the office of the Clerk of the Circuit Court of Lake County, in the Lake County Courthouse, Waukegan, Illinois, on or before the 15th day of October, 1985, default may be entered against you at any time after that day and a judgment entered in accordance with the prayer of said Complaint.

- Dated, Waukegan, Illinois, September 12th, 1985.

Bette Meyer — Building A Business

## Antioch Family Finds Wealth In Health

by JODY LEWAND

A prominent community leader from Antioch and her family continue to thrive on the fitness mania that has struck America.

Bette Meyer and her late husband, Art, built the Lakeview Hills Health and Racquetball Club in Antioch, which opened in 1979.

Their son, Art Jr., had an interest in the fitness business and prompted his parents to enter the expanding field.

Since opening, the club features a physical fitness program offering exercise equipment and classes.

Located on Rte. 83 and Margate Terrace, the club has therapeutic whirlpools, a sauna and four racquetball courts. It is open all year to its members and offers a full line of universal resistance equipment and a fully equipped free weight room.

Meyer, who owned and operated a decorating

business for 30 years, has also been prominent in Antioch public life. She was the president of the Chamber of Commerce and served on the Antioch High School Board of Education for seven years.

Although her husband died in 1984, Meyer believes her club has much going for it and that it will prosper.

"It is a family owned and operated business with a friendly atmosphere," Meyer said.

## Meyers Report Covers Consumer Mailbag

by GARY S. MEYERS

It's time for the Meyers Report to open the consumer mailbag and answer reader questions:

**Q.** We have accounts in our credit union, which is insured by the NCUA (the National Credit Union Administration, a U.S. Government agency). Is this insurance as good as FDIC?

**A.** Yes. Federally insured credit unions are backed by the full faith and credit of the U.S. Treasury and are protected just as Federally insured banks and S&Ls, up to \$100,000 per depositor.

"Reserve levels are higher for NCUA credit unions than for banks and S&Ls," said Jo Ann Ewalt, spokesperson for the NCUA in Washington, D.C. "For every \$100 on deposit, the insurance fund protecting banks has 94 cen-

ts, and the S&L fund has 77 cents. However, the Federal fund protecting credit unions has \$1.24 for each \$100 on deposit."

**Q.** If my husband and I have insured accounts in an S&L, will we be insured if we open additional accounts in other banks or S&Ls?

**A.** Federal deposit insurance is based upon the individual bank or S&L, not the individual depositor and his Social Security number.

The obligation of each Federally insured institution to each of its depositors is guaranteed up to \$100,000 per depositor. So you can protect more than \$100,000 of deposits if you use several insured institutions.

There are ways to use multiple accounts to increase your insurance

coverage at any one bank beyond \$100,000, but it can be complicated, so be careful. If in doubt, keep your money in more than one institution.

## Interest Rate Rises May Not Be Waiting

by GARY S. MEYERS and ROBERT E. STENBECK

The interest rate increases forecasted for October may have begun already, as U.S. Treasury instrument rates moved up almost 0.3 percentage points from last Wednesday.

Increased optimism generated from some of the latest government economic reports seems to be stimulating both businesses and those individuals that speculate on business trends. The reports reflect an economy that is stronger than everyone thought, except of course a few optimists and The Meyers Report.

Unemployment dropped to seven percent, down from 7.3 percent. The month of August saw 310,000 more workers employed, without an increase in the number of Americans seeking work. Over the last nine months an average of 270,000 jobs have been created each month in the United States. This does not look like a bread line.

Retail sales were up 0.4 percentage points, more than expected.

Factory usage also increased, to 80.8 percent, up from 80.3 percent the previous month.

reduced their rates.

On fixed-rate mortgages, 9.4 percent of the institutions surveyed posted a rate decline vs. 25 percent with rate increases and 65.6 percent with no change.

Nationally, auto load charges rose slightly as 12.5 percent of institutions surveyed increased rates, while 6 percent decreased rates and 81 percent remained steady. Home-improvement loans declined as less than 3 percent posted increases and more than 11 percent posted decreases, with 86 percent holding steady.

Conventional wisdom holds that if the economy is strong, the Federal Reserve Bank, the nation's central banker, will not be able to lower interest rates any further. To do so would over-stimulate economic activity and bring back inflation.

The nation's money supply continues to grow at a highly inflationary 13 percent for the year and 20 percent for the month, well above the Fed's target range.

A primary reason for the increase in the money supply is the unexpected continued growth of employment. For months, economists everywhere have been hollering "Recession."

Furthermore, sophisticated consumers were delaying purchases of homes and autos until they felt bargains were available. 1985 should be a record year for domestic auto sales. Low interest rates, especially the 7.5 to 7.7 percent variety offered by car makers, and the prospect of higher interest rates in general have prodded consumers to buy now.

**Savings:** The average interest rate on money market accounts rose slightly to 6.88 percent last week. Six-month certificate yields also rose last week, to 7.57 percent, while 30-month money certificates remained steady at 8.56 percent.

Fixed- and variable-rate 18-month IRA rates rose this week, to 8.15 percent and 7.90 percent, respectively.

**Loans:** Nationwide, the average interest rate on conventional 30-year mortgages with 20 percent down payments rose to 12.14 percent from 12.13 percent a week earlier. Adjustable-rate mortgages with annual rate adjustments fell to 9.93 percent last week.

This week, 36-month new-car loans averaged 13.21 percent at financial institutions across the country, while rates on 48-month auto loans averaged 13.02 percent.

**Forecast:** Expect retailers to have a good Christmas, but only if they stock attractive merchandise.

Over the next 90 days economic indicators should rise with the interest rates. Consumer demand should increase as concern mounts over higher interest rates. This should in turn result in steady increases in activity.

These favorable numbers have pushed the stock market higher, along with Treasury instruments, which posted the summer's largest one-week interest rate increase. Treasury instrument rates are now the highest they have been all summer.

Banks and savings institutions followed suit. While the averages did not change significantly, of those institutions surveyed by The Meyers Report this week, 26.67 percent—a substantial portion for one week—increased their six-month CD rates, while 68.89 percent held their rates steady and 4.44 percent dropped their rates.

Of institutions offering 30-month CDs, 71.4 percent maintained their rates, 14.3 percent increased their rates from 14.3 percent

## LEGAL CORNER

Brought To You Every Week By Attorney DON DEUSTER

### May schools search students for weapons and drugs?

Yes, the U.S. Supreme Court ruled this year that public school officials may search students if they have reasonable grounds to believe the search will yield evidence of violation either of the law or school rules. No warrant is needed.

### May the owner of a car be held responsible for negligence of the car's operator?

Yes, the operator of an automobile is presumed to be an agent of the owner. But, this presumption may be rebutted, and then the operator alone is responsible for his own negligence.

### How soon must a patient sue a hospital for damages resulting from negligent care?

Under Illinois law the patient must sue within 2 years of the time he knows or reasonably should know that he was injured and that the injury was wrongfully caused.

## Venture Names Managers

Venture Stores has announced the appointment of department managers for the new Mundelein store, scheduled to open early this fall.

The following group of department managers was named: Gail Hackl, customer service manager; Doug May, receiving manager; Mike Heinz, auto service manager; Mike Gogan, support manager; Diane Poloczek, personnel manager; Tony Boswell, health and beauty aids

manager; Greg Perrine, hardware, seasonal manager; Doug Winter, camera sporting goods, toys manager; Roseann Misik, men's and boys' manager; Deborah Mountsier, ready-to-wear, children's manager; Julie Hillmer, jewelry and accessories manager; Paul Weber, domestics and housewares manager; and Judy Hansman food service manager.

The new Mundelein Venture will focus on quality and fashion in its mer-

chandising mix, in response to the lifestyles and needs of today's busy shopper.

Venture is the quality discount store division of The May Department Stores Company. Operating 60 stores in seven states, Venture had yearly sales in 1984 of over 900 million dollars.

In addition to Venture, The May Dept. Stores Co. owns or operates 145 department stores, 1,762 Payless Shoe Source stores and owns or has partnership interest in 25 shopping centers.

## Introduce Campaign

Grayslake National Bank has unveiled two new mortgage loan campaigns designed to fit varying consumer needs during the recent period of low interest rates and high market sales.

Eugene Martin, bank vice chairman, stated, "We are particularly proud of this mortgage loan program! Grayslake National Bank has effectively structured our loans so they will easily adapt to the budgets of people of all incomes—be it a growing family, newlyweds or a single person purchasing their first home!"

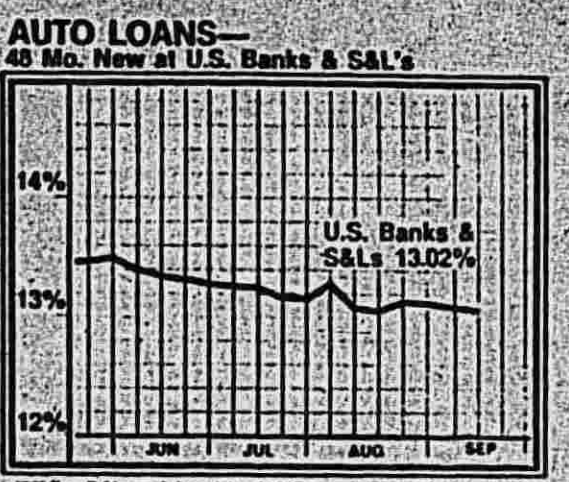

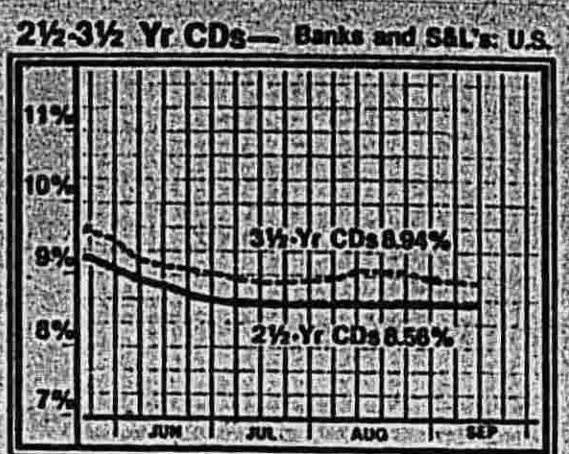

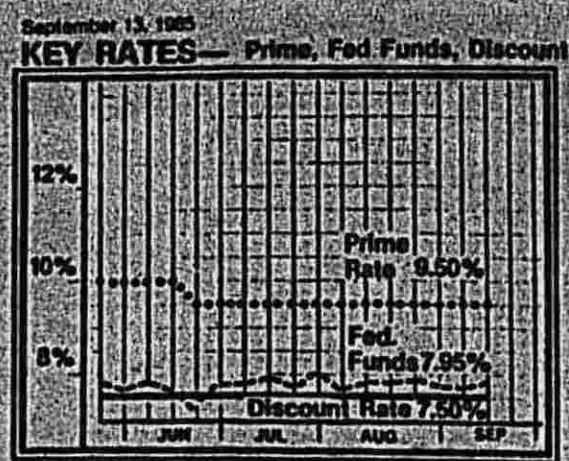

Two mortgage loan programs with financing of up to \$500,000 are now available. Fifteen and 30 year fixed rate mortgage allow for fixed payment schedules and can be obtained for both owner and investment properties. Grayslake National Bank will finance up to 95 percent of the loan to value for qualified buyers if additional private mortgage insurance is purchased.

The second mortgage plan includes, one, three, five, seven, and ten year adjustable rate mortgages (A.R.M.) to which rates are tied to the applicable Treasury Bill Index. The A.R.M. allows for rate "caps" during the term of the loan. This feature will protect the buyer in the event of rising interest rates. Another positive feature of Grayslake National Bank's A.R.M. is that it does not allow for the buyer to be penalized with additional interest added on to the principal in the case of spiraling rates.

Adjustable rate mortgages with shorter terms are enhanced with lower rates. In most cases, these rates are lower than conventional 15 and 30-year fixed rate mortgages. The buyer will have the option to convert from an A.R.M. to a fixed rate if desired for a small fee.

Grayslake National Bank invites all interested prospective home buyers to call and make an appointment to talk with William Schmoll, Assistant Vice President. They will be glad to discuss your mortgage requirements without further obligation or cost.

Grayslake National Bank is a member of The Premier Bank.

## Giraffe A Gentle Giant

by Charlene Whitney

The giraffe is the tallest mammal in the world. An adult male may be 17 feet tall and weigh about 3,000 pounds. The largest male found was over 19 feet tall.

Everything about a giraffe is big. The heart is about two feet long and will pump 20 gallons of blood every minute. He has four stomachs and can eat nearly 75 pounds of food a day. The giraffe drinks 10 gallons of water at a time.

His neck has seven neck bones like humans, but they are larger. When the giraffe lifts his head, he has to lift 550 pounds. The neck can be six-and-a-half feet long. The tail might be longer.

The giraffe is so large that other animals won't usually bother them; they don't bother other animals either. The giraffe is a gentle giant that minds his own business.

to tell what part of Africa that a giraffe might be from.

The nine patterns are: Thornicroft's giraffe, Masai giraffe, Baringo giraffe, Nubian giraffe, Nigerian giraffe, Southern giraffe, Angolan giraffe, Kordofan giraffe, and the most endangered species—the Reticulated giraffe.

The origin of the giraffe's name came from his speed, not his size.

Their long necks allow them to reach up in high trees to eat the leaves. The herd may wander miles in search of food. They eat a few minutes at each tree and move on.

Getting a drink is hard for the giraffe. The front legs must spread apart so the neck can reach down. This is a dangerous time for the giraffe. Should a predator appear, he can not run away so quickly. They get most of their moisture from green leaves.

They travel in a herd of two to 50, depending upon the availability of food.

Yes, the giraffe can make noise if he wants to. He can moo, grunt, snort, growl, etc. However, they are usually a very quiet animal.

As I said earlier, the giraffe has four stomachs. He doesn't chew much before swallowing. Later, when he is in a safe place, he'll bring up small amounts of food to chew his cud.

By the way, his tongue can be 22 inches long. This helps to strip leaves off branches.

The only living relative of the giraffe is the okapi, having a shorter neck.

There once was many giraffe-like animals on earth, but today there are only two left.

## Young Demos Seek Members

Lake County Young Democrats will conduct their first meeting in the second week of September.

The Young Democrats are encouraging people between the ages of 16-25 to affiliate with the new party organization.

Activities of the Young Democrats will include voter registration, precinct organization, phone calling and political mailings.

Interested persons seeking more information about the Young Democrats should contact the Lake County Democratic Headquarters at (312) 244-9882 and leave a message for Ken Sjorslev.

## Pet-Wise

However, if they must become a fierce fighter, they can put out some hard kicks. A mother defending her young has been known to kick the head off a lion.

However, they would rather run away than fight. As they run, the front feet do most of the pushing. They have very large muscles in their shoulders. When a giraffe walks, the strides are 15 feet long.

An older female giraffe keeps watch. When there is danger, she runs and the rest follow. They make no warning sound. A giraffe can only walk or gallop, but they can't gallop very long.

A baby giraffe stands and nurses from its mother within an hour after birth. It is rare that a giraffe has twins. A baby giraffe is about 150 pounds and six feet tall; they grow very fast.

The gestation period is 420 to 450 days. The lifespan is about 28 years.

The female giraffe is smaller than the male. She is about 14 feet tall. The biggest female on record was as tall as the male at 17 feet.

Giraffes live in Africa. However, they prefer the open plains, open forests, or trees that aren't close together. This way, they can spot danger in plenty of time to run away.

Each giraffe has different patterns on its hide than other giraffes. In this way, scientists are able to use the spot patterns to tell one giraffe from another. There is only one kind of giraffe, but at least nine different color patterns. The color pattern can be used

# Subdivision

Continued from Page 1A)  
said, consumers would save the costs of purchasing land as well as eliminate the taxes that come with land purchases.

For example, Little pointed out, a \$65,000 Antioch home with land purchase would be \$72 per month over 20 years. By leasing land, the monthly payment would be reduced to \$483-\$308 for the house and \$175 for land lease.

Under the plans, homes would be factory built to qualify for FHA, VA and conventional financing. They are divided into three cost groups to appeal to "single couples, empty nesters and snow birds."

The first level of homes offers 900-1,200 square feet. "It's an alternative to apartment living and an opportunity to build equity, rather than to save rent receipts,"

Little told the board.

The second and third levels of homes offer 1,200-1,700 sq. ft. The third level cost, built as maintenance-free as possible, is upped in price by the inclusion of features, such as all oak kitchens and higher grade carpeting.

Little asked the board to give him exceptions to a zoning ordinance, letting him exclude exact plant and tree types and locations and exact house descriptions when presenting final plans to the board.

With nearly 40,000 trees ranging from 3 to 30 feet in height, it is virtually impossible to comply with the ordinance, Little said. Also, Little said he would like to reserve a detailed description of the location of the homes until sold to the residents.

"Existing topography will be the primary factor in determining improvements, buyer's choice will be secondary," Little said about the lots to be surrounded by conservation areas and 3-4 miles of natural

wooded pathways.

If approved by the village, model homes will be constructed at the entrance of the development and pre-sold while sewer and water are brought to the site, Little proposed.

Little said he would begin funding arrangements upon approval of the preliminary plans. Upon approval of final plans, Little said he would make a model village and then begin the first phase of construction of the sites, including water and sewer lines, roads, etc.

Mayor Ray Toft praised Little, saying many people have come to Antioch with plans such as these, but Little has come up with "an awful nice plan."

"We need something that is going to be able to take care of the employment we have in this town," Toft said, pointing to the estimated 300-400 employees to be generated from Antioch's newest industry. Great

Midwestern Packaging.

A lot of people don't like to see Antioch grow, but if the town wants to progress, it's destined to grow, Toft said.

# Burger King

(Continued from Page 1A)

Antioch change the zoning of the corner lot. They are also looking to change the zoning next to Rte. 173 their home, which is now a vegetable stand, to provide greater frontage for the restaurant.

The Antioch Zoning Board will review the petition Thursday, Sept. 19.

"I think it's great," said Mayor Raymond Toft, looking at the corner as an excellent location and in the middle of an area which he expects to face tremendous growth.

The prospective contract purchaser is Sheldon Friedman, of Prospect Heights.

## Home Financing Varies With Need And Source

It may come as a surprise to learn that there are many different ways to finance a home.

And, while just about all of them call for a down payment and then regular monthly payments, there are important differences in interest rates and other factors. The difference between various home financing choices can amount to hundreds of dollars a year, or many thousands of dollars over the life of a home loan.

That's why a Realtor's advice and assistance in finding the best financing is so vitally important to today's home buyer.

If you can pay 5 percent or more of the purchase price as a downpayment, you can get a conventional loan. If you can't afford to pay 5 percent down, you may still be able to finance your purchase with FHA financing, or you may have to include a second mortgage. If you are a veteran, and have limited down payment ability, you may be fortunate enough to obtain VA financing with no down payment.

Different Loan Categories  
**CONVENTIONAL LOANS** are granted by banks, savings and loan institutions, and mortgage bankers; and usually call for a minimum of 5 percent

down, with identical monthly payments until the loan has been paid.

**VA AND FHA LOANS** are also granted by mortgage companies, banks, and savings and loan institutions, but are insured by the U. S. government ceilings. VA loans are often available without any down payment to qualified veterans. FHA loans generally require less than five percent down. There is a price limit beyond which both loans will not be granted.

**GRADUATED PAYMENT RATE LOANS** require as little as 5 percent down payments, and terms where early-year payments are smaller than later-year payments, according to your contract. This type of loan allows you to buy a more expensive home and lets your payments catch up later when your income is higher. Both FHA and conventional GPM plans are available.

**FIXED RATE LOANS** are one way in which the monthly interest payments

are always the same over the life of the loan.

**ARMS (Adjustable Rate Mortgage Loans)** in contrast to the traditional fixed-rate mortgage loans, ARMS have monthly interest and payment rates that will vary over the course of the loan. With an ARM, your interest rate is tied to an index—typically one of the Treasury Indices—that your lender will normally adjust ever one, three, or five years, depending upon what your agreement calls for. ARMS were developed in the early 80's as a response to a quickly changing economy and soaring interest rates that made homebuying prohibitive for many individuals. But with an ARM, a homebuyer can get an interest rate initially lower than the rate he or she would get with a fixed rate, long-term mortgage. In exchange, the homebuyer accepts the risk of interest rates rising in the future.

**SECOND MORTGAGES** are granted by special institutions, and by some private parties, to make up

for shortfalls in your down payment capability. Second mortgage interest rates are usually high in comparison to other loans, and the number of years you have to pay is shorter than for conventional loans.

**POINTS** are extra, one time charges lending institutions often assess upon granting a new loan. One point is equal to one percent of the loan amount.

**ASSUMING** a low interest loan may be a way to borrow money at a lower interest rate, if the lender allows it. Usually the buyer pays a small service fee and continues to make the same payments to the same lender.

**PIGGYBACK LOANS** occur when a second mortgage is placed on top of an existing first mortgage. The wrap loan payment schedule is based on a monthly rate over a long-term period, but it nevertheless matures at the same time as the first mortgage, thus often meaning a balloon payment for the borrower.

**BALLOON LOANS** let you

make reasonable small payments monthly until some specified date, at which time you must make a lump sum payment of all the remaining balance. Usually, the balloon loan would be part of a second or third loan.

**ROLLOVER/RENEGOTIATED** rate mortgages call for a short-term loan of three to five years with a guarantee that the loan could be renewed for up to thirty years. The interest rate and term of the loan would be established with the requirement that the loan could be renewed at the end of the set period at the prevailing interest rate. If the homeowner doesn't like the new rate, he would be free to secure the loan from another source (maximum interest rates are specified in the contract).

**WRAPAROUNDS.** A buyer may be able to get the

seller or another lender to offer a second trust to supplement the existing loan, which is transferred to the buyer. Sellers or sometimes lenders grant these so-called wraparounds when the second trust is small and the old loan has a low interest rate. Often, the effective interest rate on the combined mortgage is less than the going market rate.

**INSTALLMENT CONTRACT** of sale (also called land contracts or agreement for deed). Some sellers eliminate the need for a mortgage lender by offering a contract of sale. The buyer makes a down payment and pays the balance to the seller in regular installments which include interest.—Courtesy of Red Carpet C. Frank Realty, Fox Lake.

## Statistics Continue To Show Active Market

The August, 1985 Listing Exchange Statistics issued

by the Lake County Board of Realtors continue to show an active market fueled by consumer confidence and stable interest rates.

In August, 1985, \$31,224,000 worth of real estate closed in Lake County with the year-to-date total of \$216,848,531.

The average sale price of Lake County residential property was \$78,453; a full \$2,500.00 increase over August of last year.

Now is the absolute best time to buy property in Lake County according to Dorothy Fetting, president-elect of the Lake County Board of Realtors. The reasons are three-fold according to Fetting. First, there is a renewed consumer confidence, second the inventory of existing single family residential homes remain high and finally interest rates have remained stable over the past six months.

The Lake County Board of Realtors is a not-for-profit

trade association representing approximately 1500 real estate practitioners.
